DALLAS District

In DALLAS COUNTY, NEW LOCATION, an extension of STATE HIGHWAY 190 between SH 78 and I-30 was designated a part of the state highway system by Minute Order 91227, dated January 29, 1991. As proposed, this section of SH 190 will be a controlled-access facility with three tolled mainlanes and two to three lane non-tolled discontinuous one-way frontage roads in each direction.

Transportation Code, §228.051 provides that the Texas Transportation Commission (commission) by order may designate one or more lanes of a segment of the state highway system as a toll project or system.

Transportation Code, §203.003 authorizes the commission to lay out, construct, maintain, and operate a designated state highway, with control of access as necessary to facilitate the flow of traffic and promote the public safety and welfare.

IT IS THEREFORE ORDERED by the commission that the tolled mainlanes on SH 190 from SH 78 to I-30 are designated as a toll project on the state highway system.

IT IS FURTHER ORDERED that SH 190 from SH 78 to I-30 is designated as a controlled-access facility for the purpose of development, maintenance and operation.
