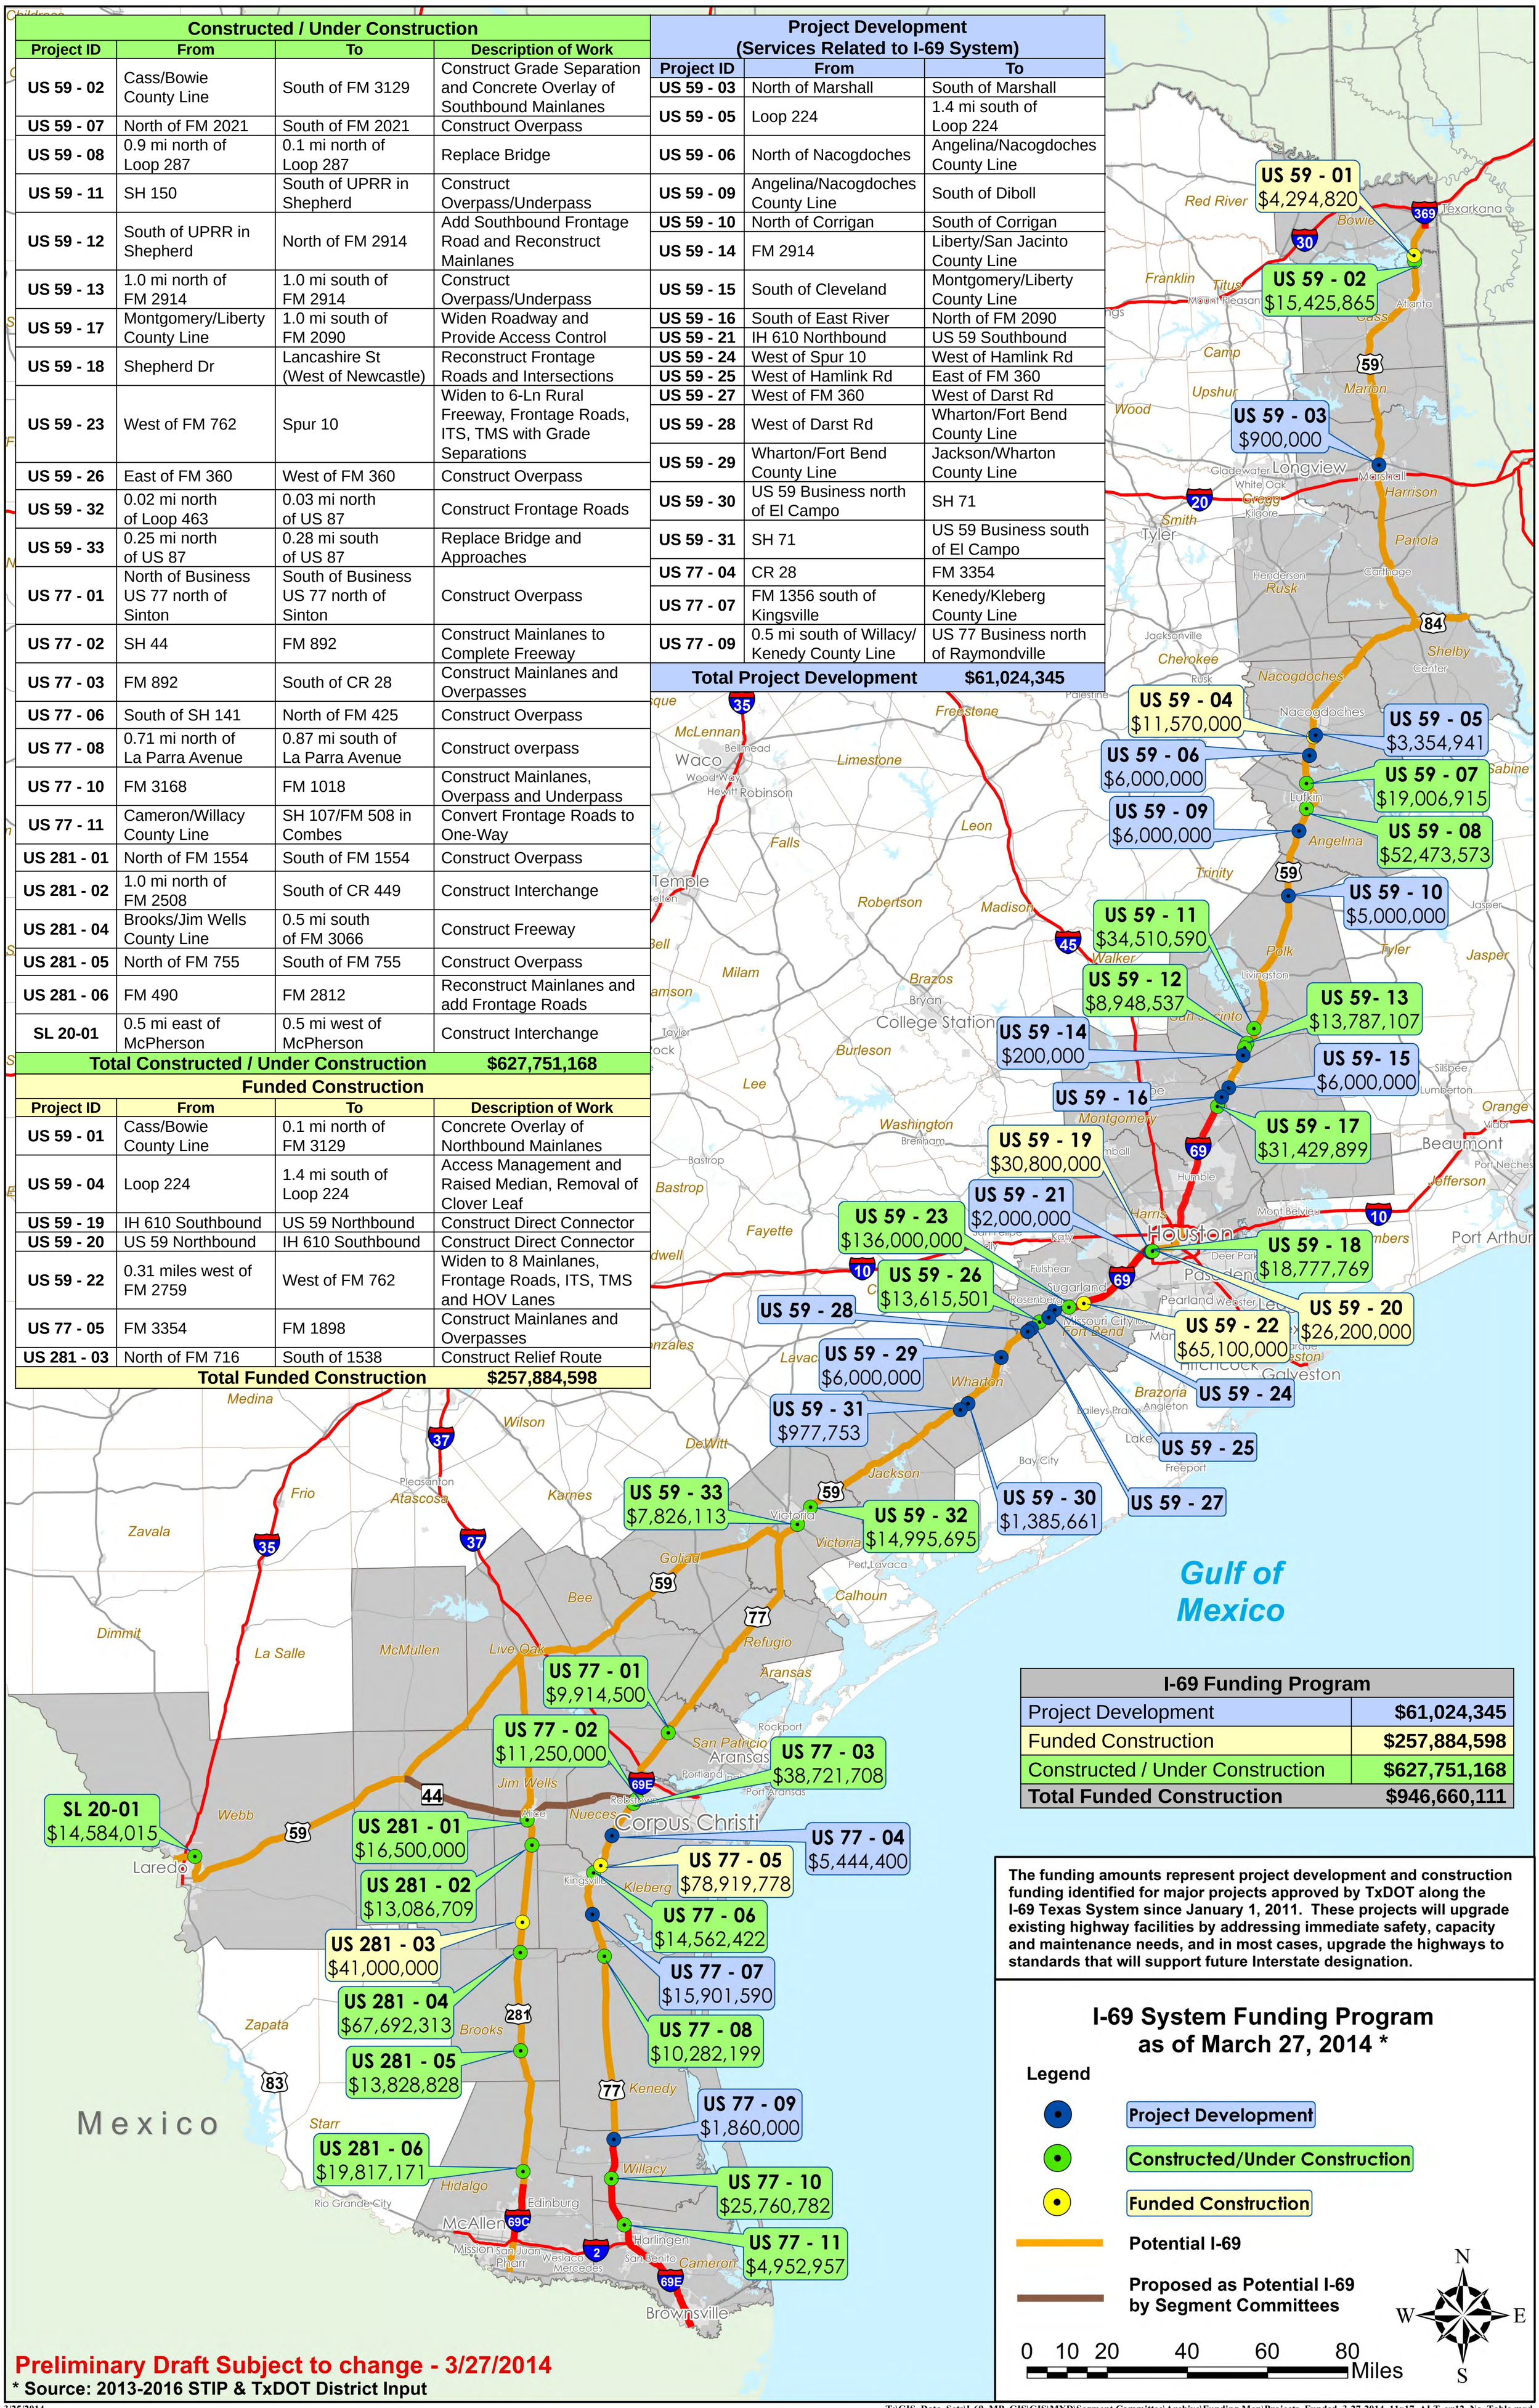
Total Project Development		**$61,024,345**



I-69 Funding Program	
Project Development	$61,024,345
Funded Construction	$257,884,598
Constructed / Under Construction	$627,751,168
Total Funded Construction	**$946,660,111**

The funding amounts represent project development and construction funding identified for major projects approved by TxDOT along the I-69 Texas System since January 1, 2011. These projects will upgrade existing highway facilities by addressing immediate safety, capacity and maintenance needs, and in most cases, upgrade the highways to standards that will support future Interstate designation.

I-69 System Funding Program as of March 27, 2014 *
