CORPUS CHRISTI District

In BEE COUNTY on the BEE COUNTY MAINTENANCE FACILITY TRUCK WASH BUILDING, Dynamic Technical Services, L.P. (contractor) was awarded building project TWP-2004-2005 in the amount of \$97,726.

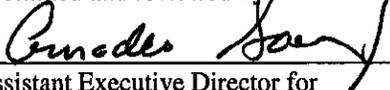

The contractor filed a claim against the Texas Department of Transportation (department) for additional compensation in the amount of \$12,800 for liquidated damages assessed while resolutions to repair the wash bay pit and floor slab were being evaluated.

Pursuant to Title 43, Texas Administrative Code, §9.2, the Contract Claim Committee met informally with the contractor, and the claim was successfully resolved.

The agreed resolution requires that the contractor be paid the sum of \$9,350 in full and final satisfaction of the claim. This consideration shall be payable only after the department is in receipt of a duly authorized and completed Settlement Agreement and Release containing a specific promise by the contractor to release and hold harmless the State of Texas, its officers, and employees with regard to all claims and disputes arising from the contract.

IT IS THEREFORE ORDERED by the Texas Transportation Commission (commission) that the sum of \$9,350 is authorized to be expended from funds under the control and jurisdiction of the commission, and the executive director is directed to take the necessary steps to secure a warrant in this amount payable to the contractor.
