SAN ANGELO District

The Texas Transportation Commission (commission) takes special note of its designation by the governor as the administering agency for the Federal Transit Administration (FTA) grant program, "State Planning and Research Programs" (49 U.S.C. §5313), in a letter dated June 13, 2002. Under §5313, FTA provides funds to be used for planning and coordination projects.

The commission desires to award \$60,000 in §5313 funds to assist the Concho Valley Rural Transit District (CVRTD) in studying and identifying improvements in service delivery, cost savings, and decrease in overhead costs associated with the consolidation of two public transportation providers; CVRTD and San Angelo Street Railroad Company.

Transportation Code, Chapter 455 requires the Texas Department of Transportation to assist political subdivisions of this state to obtain federal aid to establish or maintain public transportation systems.

Transportation Code, Chapter 456 requires the commission to administer funds appropriated for public transportation.

IT IS THEREFORE ORDERED by the commission that the executive director, or the director's designee, is hereby authorized to proceed with the allocation of \$60,000 in federal §5313 funds to assist the coordination project described above, notify the entity in writing of the commission's approval, and enter the necessary contracts.
