The Texas Transportation Commission (commission) approved the 2005 Statewide Mobility Program (SMP) by Minute Order 109862, dated November 18, 2004.

It is necessary to amend Category 12, Strategic Priority, of the 2005 SMP to include additional project selections. These projects generally promote economic development, provide system continuity with adjoining states and Mexico, increase efficiency on military deployment routes, or address other strategic needs.

IT IS THEREFORE ORDERED by the commission that Category 12, Strategic Priority, of the 2005 SMP be amended to authorize additional project selections for the amounts shown in the attached Exhibit A.
