VARIOUS District

The Texas Transportation Commission (commission) desires to award state funds to project recipients to provide for the local fund match for public transportation services.

On August 24, 2006, the commission passed Minute Order 110646 awarding \$2,379,023 to various organizations for Texas colonias Job Access Reverse Commute (JARC) grants.

The commission recognizes the importance of the success of the JARC projects for the colonias citizens and finds that the projects listed in Exhibit A are eligible for funding.

Transportation Code, Chapter 455 assigns a broad spectrum of public transportation roles and missions to the Texas Department of Transportation.

Transportation Code, Chapter 456 authorizes the commission to administer funds appropriated for public transportation.

IT IS THEREFORE ORDERED that the executive director or the director's designee is directed to proceed with the allocations as listed in Exhibit A, and enter into the necessary contracts in accordance with the priorities as established in this minute order.
