

TEXAS TRANSPORTATION COMMISSION

DENTON County

MINUTE ORDER

Page 1 of 1

DALLAS District

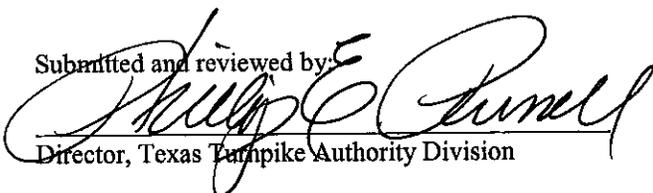

Title 43, Texas Administrative Code, §27.82(d) provides that the Texas Transportation Commission (commission) will establish toll rates for the use of a toll project on the state highway system. In setting toll rates, the commission considered: (1) the results of traffic and revenue studies and any schedule of toll rates established in a traffic and revenue report; and (2) vehicle classifications, type and location of the facility, and similar criteria that apply to a specific project.

The first segment of SH 121 opened to traffic on July 7, 2006. This segment extends seven miles from FM 2281 south to Business SH 121 near the Denton/Dallas county line (initial segment). This facility will provide for all-electronic, open-road tolling.

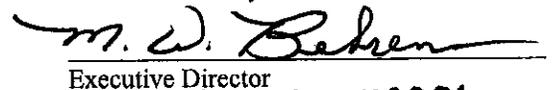

The results of the toll rate analysis for the initial segment of SH 121 provides toll rates at each tolling point as set forth in Exhibit A.

IT IS THEREFORE ORDERED that the Texas Department of Transportation is authorized to charge tolls on the SH 121 toll project from FM 2281 south to Business SH 121 near the Denton/Dallas county line in the amounts stated in Exhibit A.
