SAN ANTONIO District

Pursuant to Title 43, Texas Administrative Code (TAC), §15.3, revisions to metropolitan planning area boundaries must be approved by the governor or the governor’s designee. The governor and the Texas Department of Transportation (department) must be provided documentation and the rationale supporting any recommended boundary change.

In accordance with Title 23, CFR §450.308, a metropolitan planning area boundary shall, as a minimum, cover the urbanized area and the contiguous geographic area(s) likely to become urbanized within the 20-year forecast period covered by the metropolitan transportation plan.

On October 4, 2005, Governor Perry delegated authority to the Texas Transportation Commission (commission) to approve metropolitan planning area boundary changes.

The San Antonio - Bexar County Transportation Policy Committee approved the expansion of the San Antonio - Bexar County Metropolitan Planning Area on February 26, 2007. The city of Garden Ridge has met the U.S. Census Bureau’s definition of an urbanized area. Revisions incorporate the city of Garden Ridge as part of the metropolitan area.

The commission has reviewed and accepted the documentation and rationale supporting the metropolitan planning area boundary changes provided by the San Antonio-Bexar County Metropolitan Planning Organization (MPO).

IT IS THEREFORE ORDERED by the commission that the proposed San Antonio - Bexar County MPO metropolitan area boundary change is hereby approved in accordance with Title 23, CFR §450.308, with the adjusted 2007 Metropolitan Area Boundary shown in Exhibit A.
