SPECIAL PROVISION

On-the-Job Training Program

- 1. Description.** Texas Department of Transportation's (TxDOT's) program to meet the requirements of the Federal-Aid Highway Act of 1968 and 23 CFR (Code of Federal Regulations) Part 230, Subpart A. The objective is to develop skill improvement programs to provide opportunities for unskilled workers, particularly minorities, women, and disadvantaged persons, to acquire training in the skilled construction trades.
- 2. Trainee Assignment.** TxDOT's Office of Civil Rights will allocate training assignments to prequalified contractors based on the past contract volume of federal-aid work performed with TxDOT. TxDOT will notify each contractor who has met the volume of work threshold at the beginning of each reporting year and advise them of the number of trainees they are expected to support.
- 3. Program Requirements.** Contractors found to have reached the level(s), as identified in the TxDOT On-The-Job Training (OJT) program document, are required to fulfill all of the requirements of the OJT program at no additional cost to the department other than contractor requested reimbursement of \$0.80 per hour for a trainee.

The contractors are required to compensate the trainee at least 60% of the appropriate minimum journeyman's rate specified in the contract for the first half of the training period, 75% for the third quarter of the training period and 90% for the last quarter of the training period.

Contractors will promptly notify pertinent project engineers of the trainee's work location in sufficient time to allow for observation or interviews.

The program document is available through the TxDOT Office of Civil Rights Contract Compliance Section at 125 E. 11th Street, Austin, Texas 78701.

- 4. Non-Compliance.** A contractor's failure to comply with the requirements of this Special Provision shall constitute a material breach of this contract. In such a case, the department reserves the right to terminate the contract, assess liquidated damages, or such other remedy or remedies as the department deems appropriate.
