

## NOTICE OF PUBLIC MEETING

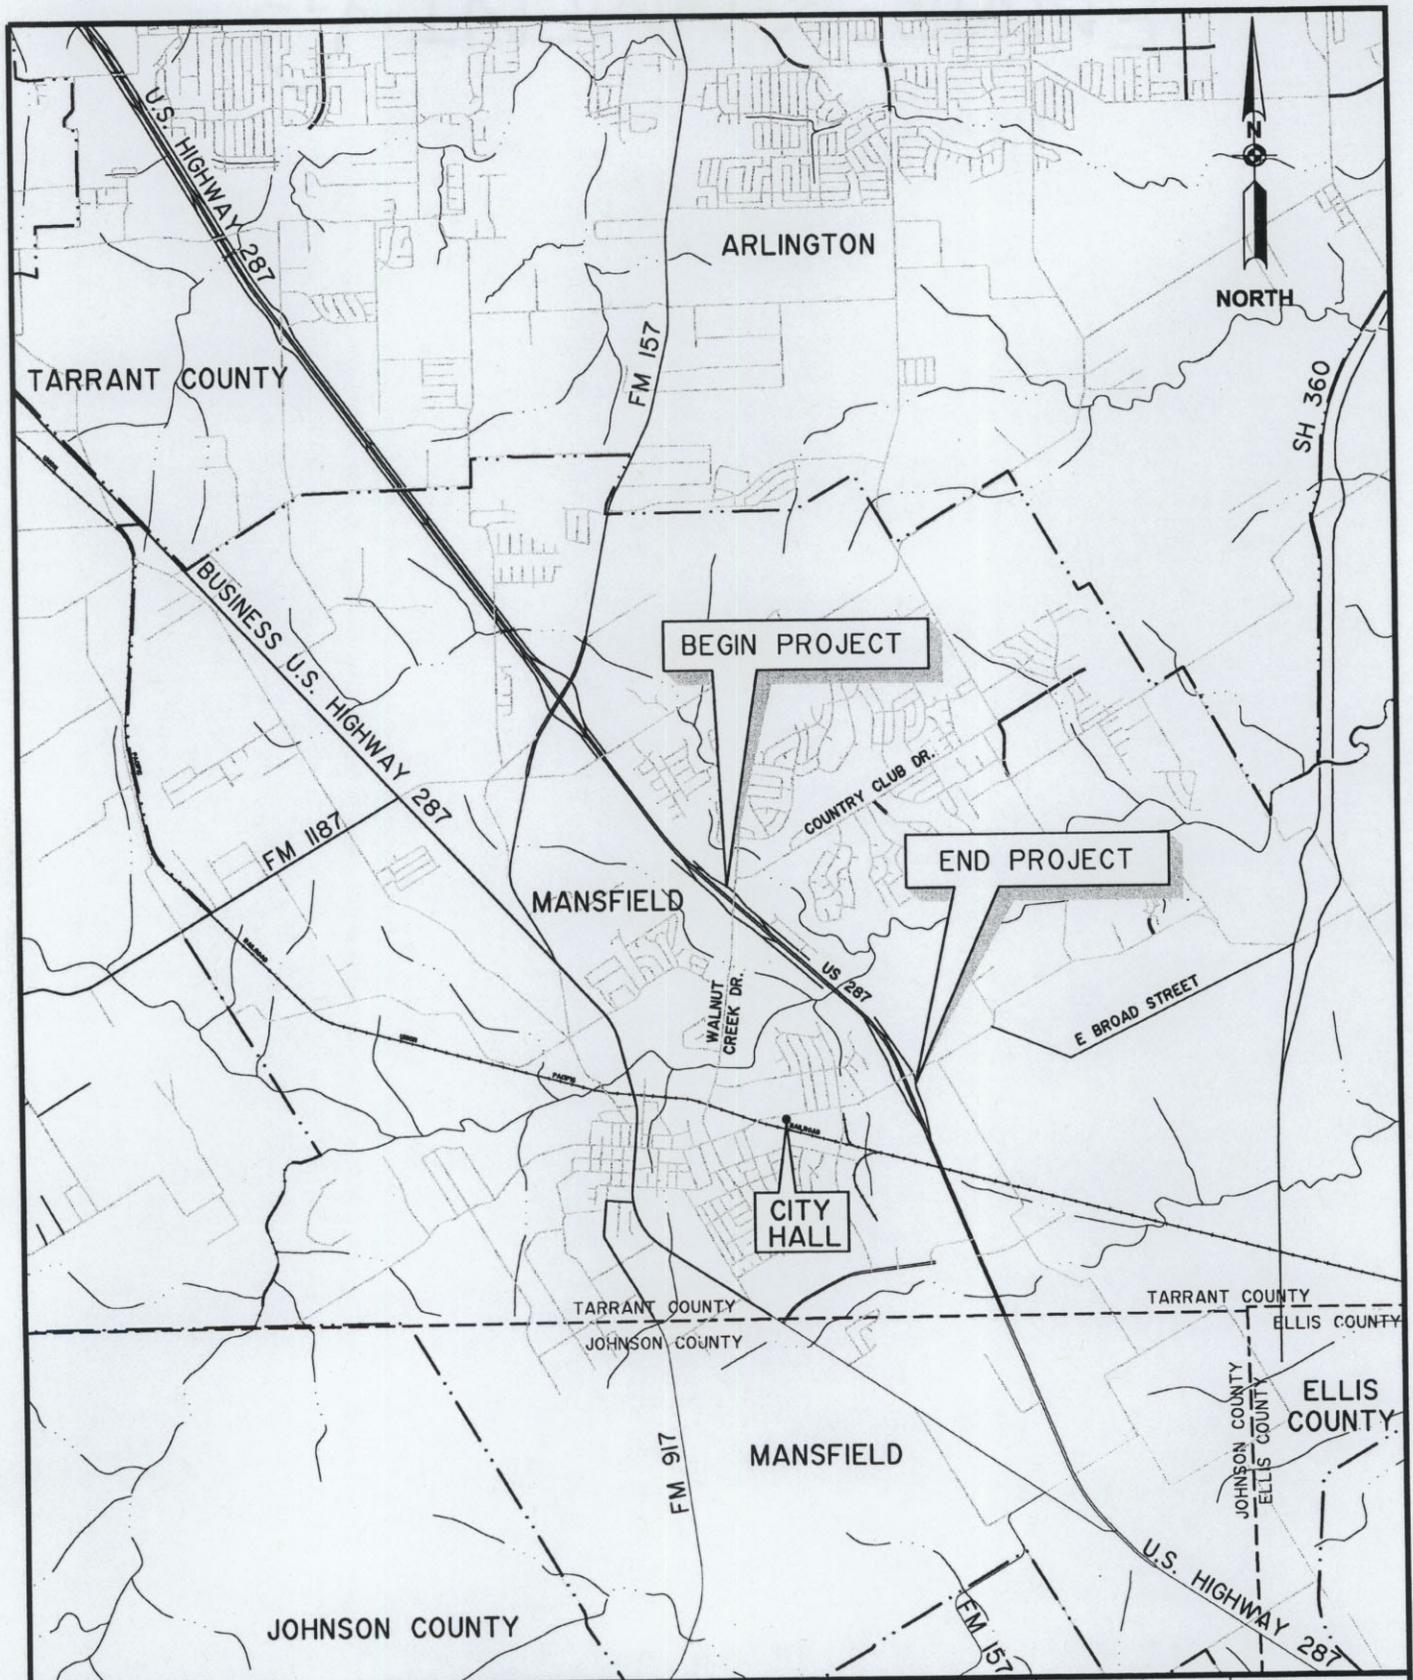

The Texas Department of Transportation (TxDOT) and the City of Mansfield will be holding an open house public meeting on Tuesday, April 28, 2009. This meeting will be held between the hours of 6:30 p.m. and 8:30 p.m. with a brief presentation beginning at 7:00 p.m. The meeting will be in the multi-purpose room at the Mansfield City Hall building, 1200 East Broad Street, in Mansfield, Texas.

The purpose of the meeting is to offer an opportunity to discuss and make comments on the proposed frontage road improvements along US 287 between Walnut Creek Drive and Broad Street. These improvements include the construction and / or reconstruction of continuous frontage roads, construction of 2 new turnaround bridges at Walnut Creek Drive and 1 new turnaround bridge just north of Broad Street. With continuous frontage roads, traffic would be converted from two-way to one-way operation.

Maps, drawings, and other information about the project will be on display, showing location of the project and the proposed alignments and improvements. Project personnel will be on hand at the displays throughout the meeting. They will assist in orientation and interpretation of the drawings and other material on hand, and discuss possible design and environmental effects of the project.

All interested citizens are invited to attend this public meeting. Written comments from the public regarding this project are requested and will become part of the project documentation. Written comments may be submitted either in person or mailed to the District Office of the Texas Department of Transportation – Project US 287 Mansfield at 2501 S W Loop 820, Fort Worth, Texas 76133.

Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact The City of Mansfield Engineering Department at 817-276-4208. Requests should be made at least 72 hours prior to the public meeting. Every reasonable effort will be made to accommodate those needs.
