

Notice of Public Hearing

LP 567 Hood County, Texas

The Texas Department of Transportation (TxDOT) will conduct a public hearing on Thursday, April 30, 2009, at Granbury City Hall, Council Chambers at 116 W. Bridge St., Granbury, Texas 76048. The purpose of the hearing is to present the planned improvements to LP 567 from FM 51 to BU 377H (locally known as Pearl Street) in the City of Granbury, Hood County, Texas. Displays will be available for viewing at 6:30 pm with a formal hearing commencing at 7:00 pm.

The proposed project is approximately 2.4 miles in length and will ultimately consist of four 12 foot travel lanes with 10 foot shoulder and one 16 foot median. The initial phase of construction would include two 12 foot travel lanes with 10 foot shoulders, an overpass for the railroad and drainage structures. The typical right-of-way width will vary from a minimum of 150 feet to a maximum of 300 feet for the railroad overpass. The project will also entail installing traffic signals at the intersection of FM 51 and the intersection of BU 377H. The design speed is 45 miles per hour for the length of the facility.

The project will require the acquisition of new right-of-way totaling approximately 45 acres. No displacements or relocations would be required. TxDOT's Relocation Assistance Program, its benefits and services will be presented at the hearing.

Maps and other drawings depicting the proposed improvements will be displayed at the Public Hearing. In addition, the plan layout, the Environmental Assessment and other pertinent information about the proposed project are on file and available for inspection at the following locations:

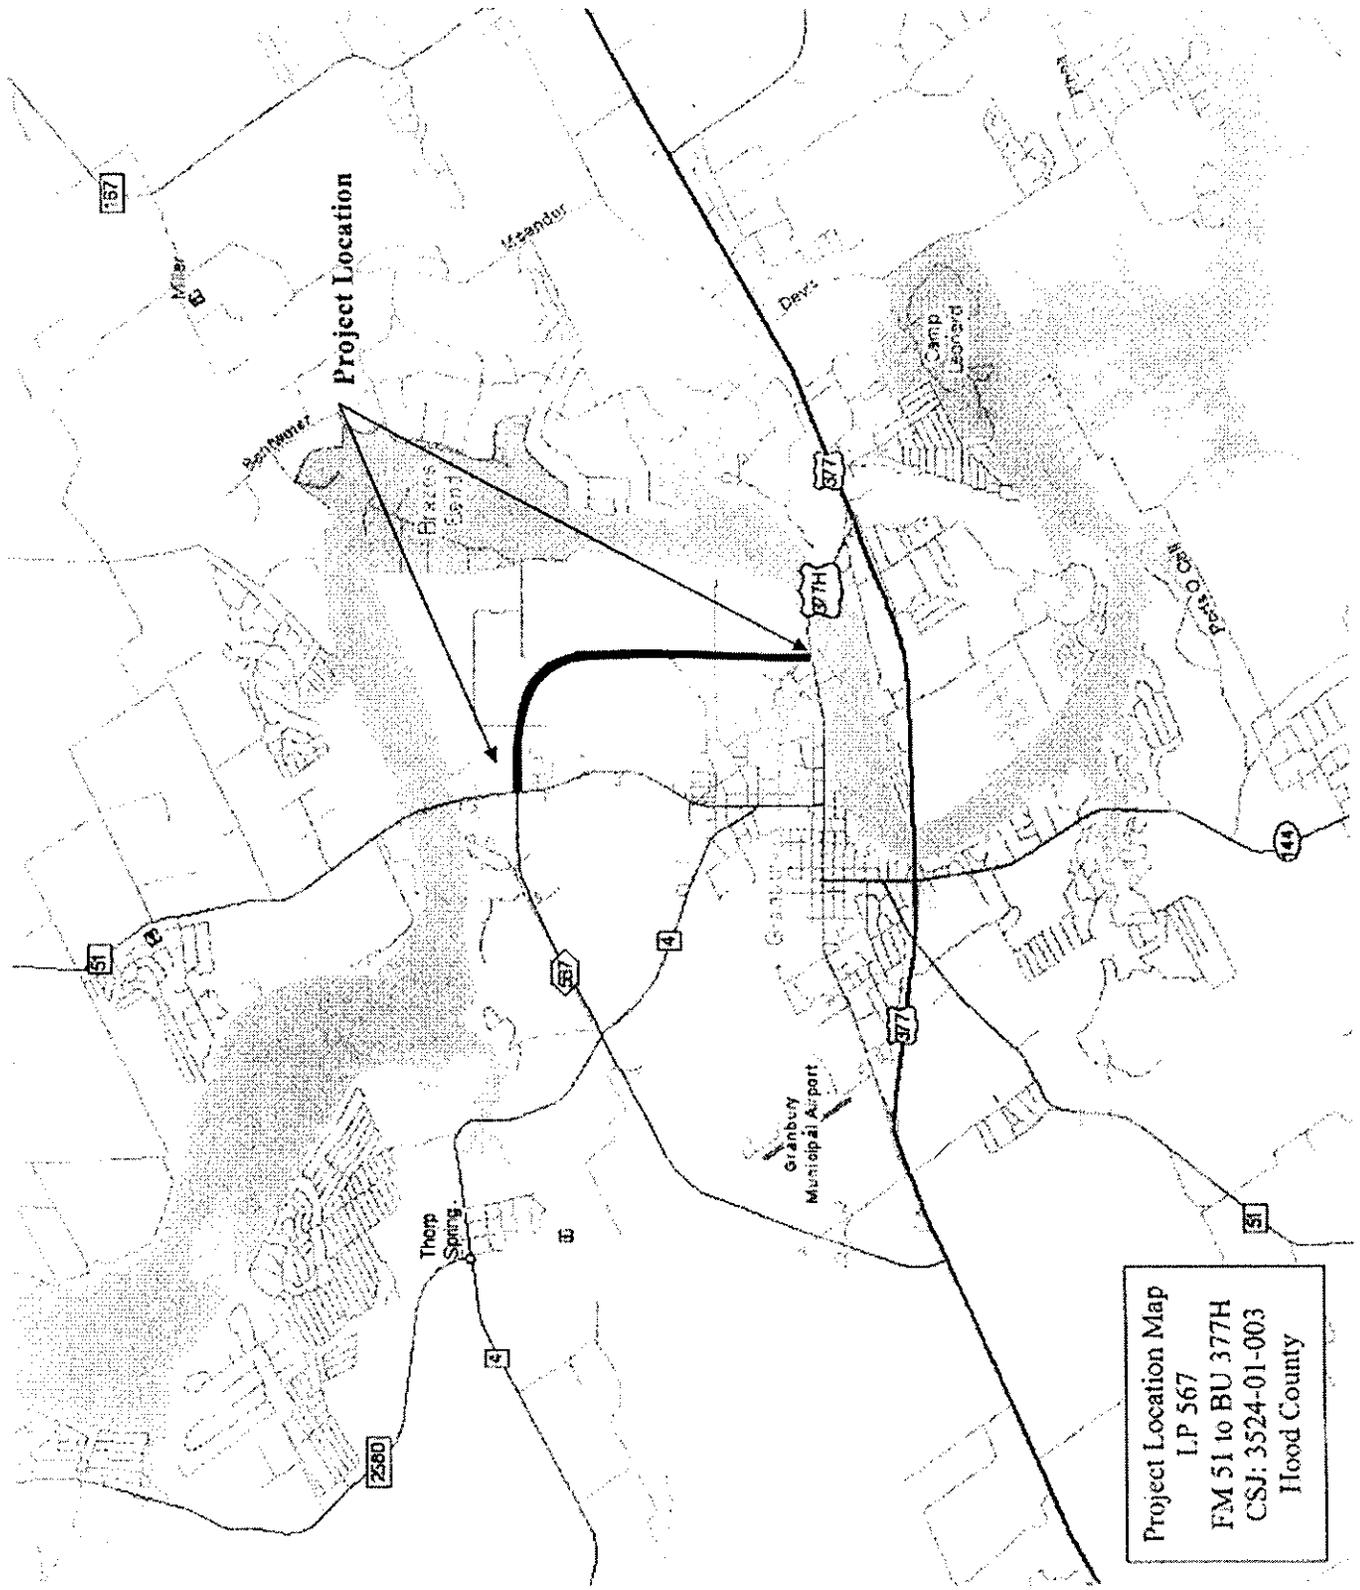

- TxDOT – Fort Worth District Office – Ms. Phyllis Thompson, 2501 Southwest Loop, P.O. Box 6868, Fort Worth, Texas, 76115; phone (817) 370-6549
