

NOTICE OF PUBLIC MEETING
July 28, 2009
IH 35W CORRIDOR IMPROVEMENT STUDY

The Texas Department of Transportation (TxDOT) Fort Worth District will conduct an open house public meeting to discuss transportation improvements in the **IH 35W Corridor from IH 820 to SH 114**. This corridor improvement study will evaluate a range of viable transportation alternatives along this section of the IH 35W corridor. The goal of this study is to develop a locally preferred plan of action to alleviate congestion and improve mobility in the study area, and to integrate any actions with community plans and goals.

The corridor, from IH 820 and SH 114, is located primarily within the City of Fort Worth, but parallels the City of Haslet, the Town of Northlake and unincorporated Tarrant and Denton Counties. **The public meeting will be held at the Region XI Education Service Center, 3001 North Freeway (IH 35W) in the City of Fort Worth, on Tuesday, July 28, 2009.** An open house with displays available for viewing will be held from 6:00 p.m. to 8:00 p.m.

Maps, drawings, and other information about the project will be on display, which will show the location of the study corridor and suggested transportation improvement alternatives. The study team will be available at the displays to assist in orientation and interpretation of the drawings and other materials and discuss mobility and potential environmental effects of the project.

Each attendee will have the opportunity to provide the study team with comments and suggestions by submitting written comments. Such comments and suggested solutions will assist project personnel with the planning and environmental decisions associated with this study. All interested citizens are invited to attend this public meeting. Verbal and written comments from the public may be submitted either in person, by mail, or by email to:

Matthew Asaolu, P.E.
Texas Department of Transportation, Fort Worth District
2501 Southwest Loop 820, P.O. Box 6868
Fort Worth, Texas 76115-0868
Fax: (817) 370-6759
Or email: masaolu@dot.state.tx.us

Information about the proposed TxDOT study is available for inspection at the Fort Worth District Office of the Texas Department of Transportation.

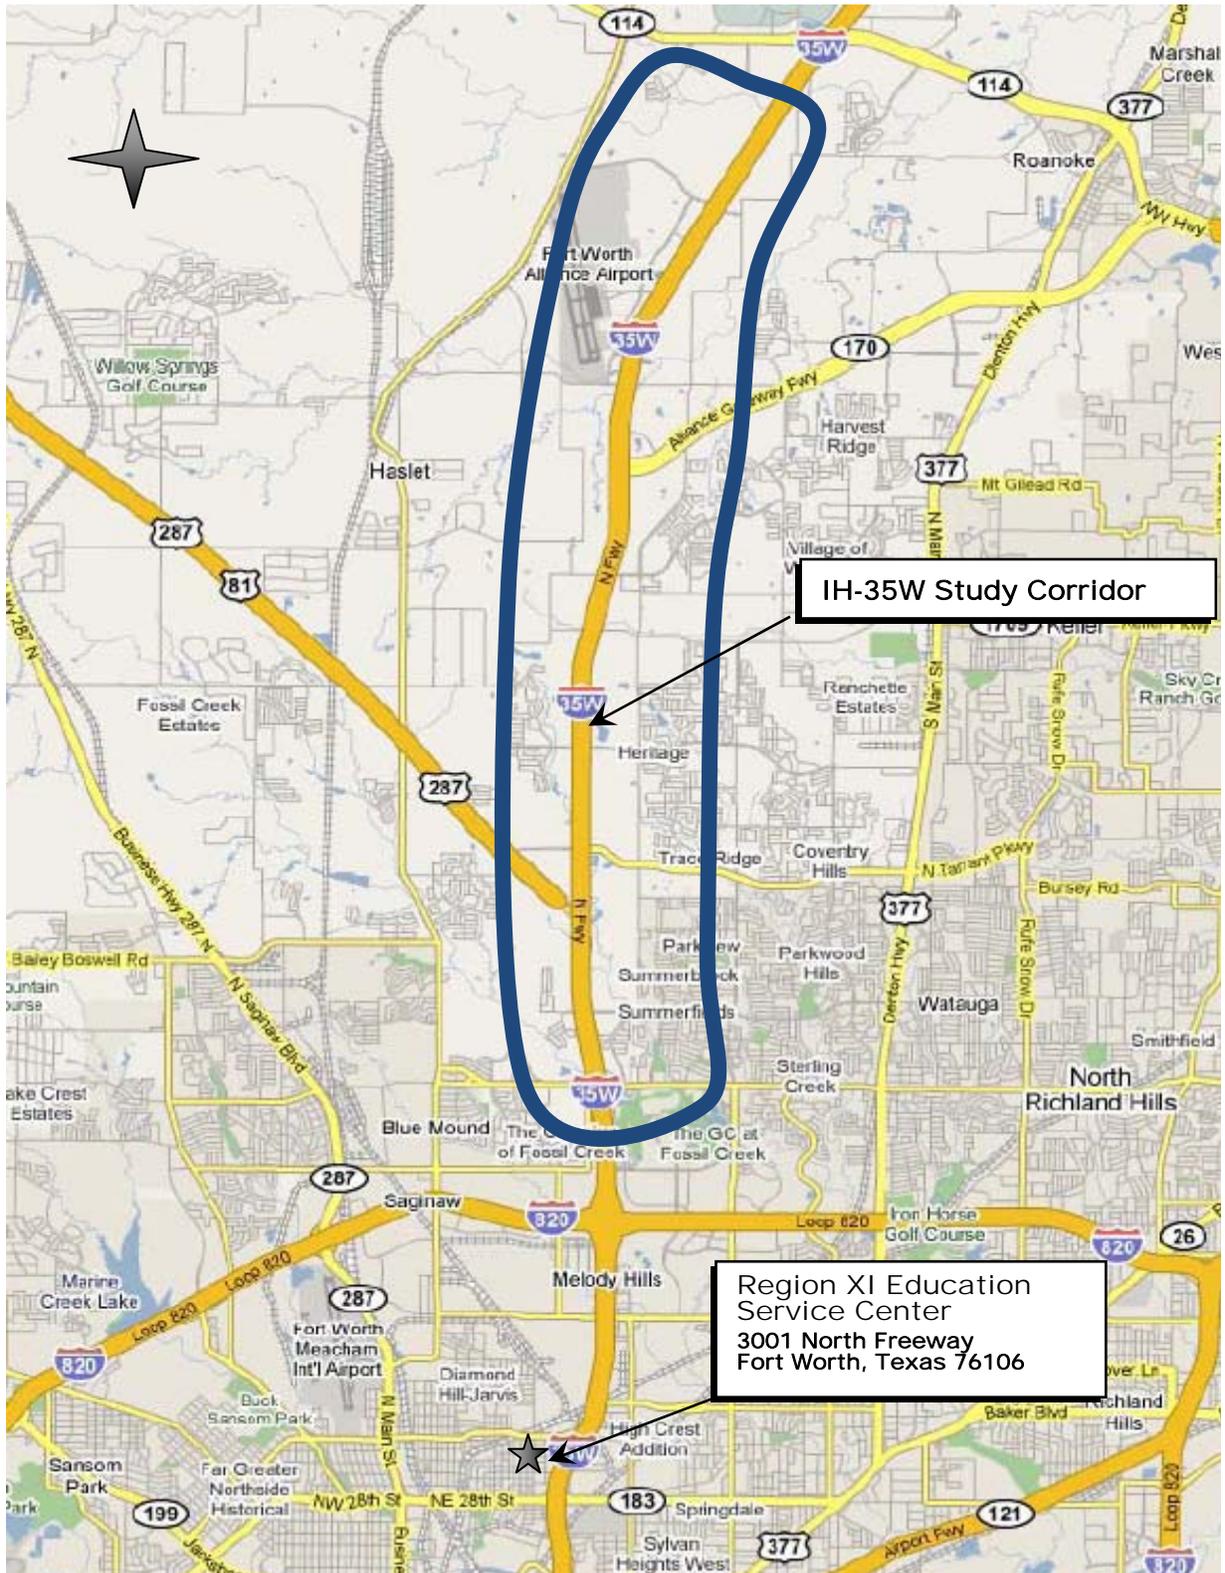

Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact TxDOT at (817) 370-6852. Requests should be made at least 72 hours prior to public meeting. Every reasonable effort will be made by TxDOT to accommodate those needs.
