

# SH 360 SOUTH

## TxDOT PROJECT TRACKER

*"Through collaboration and leadership, we deliver a safe, reliable, and integrated transportation system that enables the movement of people and goods."*

### OVERVIEW

SH 360 has mirrored the growth of southern Tarrant County for decades. The Texas Department of Transportation (TxDOT) first developed and opened portions of SH 360 in 1958, and the department has regularly improved and expanded one of the region's major north-south arteries ever since. South of Interstate 20, TxDOT has completed four projects since 1994 that extend mainlanes to Green Oaks Boulevard SE and extend frontage roads to US 287. Construction on the SH 360 toll lanes south of I-20 to US 287 began in November 2015 as part of a public-public partnership between TxDOT, the North Texas Tollway Authority (NTTA), and the North Central Texas Council of Governments (NCTCOG). The initial SH 360 project will add two toll lanes in each direction from approximately two miles south of I-20 near East Sublett Road to US 287. The project will be built using the design-build construction method, which typically cuts construction time in half.

- **Feb. 26, 2015** – The Texas Transportation Commission conditionally awarded the development contract to Lane-Abrams Joint Venture
- **May, 2015** – The contract between TxDOT and Lane-Abrams Joint Venture was executed
- **Oct. 21, 2015** – Groundbreaking held

### PROGRESS

- Clearing and grading continues from Camp Wisdom Road to US 287.
- Work has begun on the new US 287 frontage roads at SH 360. Westbound US 287 traffic is scheduled to be switched to the new frontage road in late September to allow work to progress on new US 287 mainlane bridges.
- Detours are in place for bridge construction at: Webb Lynn Road/Lynn Creek Parkway; Debbie Lane/Ragland Road; Broad Street; and Heritage Parkway.
- Bridge beams are set at the Webb Lynn Road/Lynn Parkway crossover with bridge completion scheduled for this fall for both Webb Lynn Road/Lynn Creek Parkway and Debbie/Ragland Road.
- This fall, detours for bridge construction will occur at Sublett Road/Camp Wisdom Road.
