U.S. 377 Public Meeting scheduled Thursday

GRANBURY — All interested citizens are invited to attend the U.S. 377 Public Meeting Thursday, June 23 at 7 p.m. at the Granbury City Hall located at 116 West Bridge Street in Granbury. The public meeting will discuss the proposed widening of U.S. 377 from Farm to Market Road 51 to Farm to Market Road 167.

This project will widen U.S. 377 from FM 51 to FM 167 from four lanes to a six-lane divided highway. The 6.2-mile project has an estimated cost of \$37 million and is tentatively scheduled for letting in fall 2008. The growth in this area requires the widening of U.S. 377 to meet the increasing transportation needs.

Maps and other drawings showing the proposed design will be displayed. The public will be allowed to view project layouts, a tentative schedule and other project information. Public input into the project's design elements will be important during this time. Interested persons will have the opportunity to offer verbal and written comments.
