

Table of Contents

There are twelve sections in this notebook, one section for each County along the La Entrada al Pacifico corridor, arranged alphabetically:

- Brewster
- Crane
- Crockett
- Dawson
- Ector
- Lubbock
- Lynn
- Martin
- Midland
- Pecos
- Presidio
- Upton

Each section is divided into the following five subsections. All data used in the two preceding matrices were taken from these sources:

1. Texas Environmental Profiles (Texas Center for Policy Studies and Environmental Defense): <http://www.texasep.org/index.html>
2. LPST Database Query Results (Texas Natural Resource Conservation Commission):
<http://www.tnrcc.state.tx.us/permitting/remed/rpr/pstquery.htm>
3. Texas QuickFacts (U.S. Census Bureau):
<http://quickfacts.census.gov/qfd/states/48/48001.html>
4. Annotated County Lists of Rare Species (Texas Parks and Wildlife Department) <http://www.tpwd.state.tx.us/>
5. Texas Historic Sites Atlas (Texas Historical Commission):
<http://atlas.thc.state.tx.us/>

All data was obtained through these websites during the month of October, 2004, and is as current as the latest updates to the websites at that time.
