

CJ-0908-00-098(stp 2021(183)) Taylor county

1. General note sheet B, the note where the removal of the pavement marking and profile is subsidiary to the various bid items, Does that removal includes all quantities for all bid items?
That note is on all construction plans for incidentals during construction phasing. This contract is to retrace and put down profile markings over last years seal coat roadways. That note should not apply to this contract.
2. Was the striping of last year in paint, after the seal coat? Yes
