#	DATE RECEIVED	STATUS	QUESTION	ANSWER
1	12/29/2022 0:00	Completed	I was wanting to see if I could get the specification for the aggregate material for project number (MMC 639765001) of Type E Grade 4 and Type E Grade 5 from Amarillo area. I seen on material requirements that it shows per plans but did not see any requirements.	Please see Special Specifications 8039 pages 54-57 of the plans table 2 & 3 The Special Specification 8039 can be found in the bid proposal and at www.txdot.gov
