#	DATE RECEIVED	STATUS	QUESTION	ANSWER
1	7/20/2021 0:00		I noticed on the plans for Control: 6382-30-001; 6382-31-001; 6382-29-001 calls for 50 tons per location or each specified address. However, on the Icx Electronic bidding platform, the quantity is 100 tons for each location. Please can you specify because what is right.	The quantities on plans to not match quantities on ICX Electronic Bidding. Project is being pulled from the July 2020 letting and will re-let in September 2021.
