#	DATE RECEIVED	STATUS	QUESTION	ANSWER
1	6/12/2019 13:42	Completed	<p>Hello, is the state furnishing materials for the following items:</p> <ul style="list-style-type: none"> steel post with base plate hinged top sgt posts remove guardrail end treatment replace with sgt tl-3 cable posts tl-4 cable posts cable turnbuckle tl-3 cable turnbuckle tl-4 repair cable barrier terminal section tl-3 repair cable barrier terminal section tl-4 	TxDOT will provide all materials except for concrete for this project.
2	6/14/2019 12:45	Completed	What item will be used for SGT repairs?	The items will be based on what components will need to be repaired. Items 770: 6025, 6026, 6027, 6034, 6043, 6044, 6046, 6047, 6048, 6049, 6050, 6051 may be used in the repair of a SGT.
3	6/14/2019 12:45	Completed	I see the items for posts, and accessories, but I do not see an item for the SGT rail.	If it is the SGT rail only, the item that will be used is Item 770 6034. Item 770 6027 encompasses the removal of an old system and the installation of a new SGT system.
4	6/14/2019 12:45	Completed	Also, in the general notes for item 771 Repair Cable Barrier System, it mentions that item 771-6011 Check/Re-Tension Cable will only be utilized, and paid, when no other cable barrier is required. Please elaborate on this, as to what "no other cable barrier is required" means	If the only repair needed is to retension the cable, then this item will be paid. If outhr repairs are needed, then the retentioning is subsidiary to the various bid items.
