#	DATE	QUESTION	ANSWER
1	1/31/2020	There is a general note under Item 8011 in each Materials only, HMAC contract that says, "Use a Texas Gyrotory Compactor (TGC) to design the mixture. Was this general note intended? Could the supplier have the option to design with the Superpave Gyrotory Compactor (SGC)?	We are researching these questions. We will respond asap.
