

**RMC: 6381-11-001 Pre-Bid Questions**

<b>Project RMC</b>	<b>Question Number</b>	<b>Date Received</b>	<b>Question</b>	<b>Response</b>
6381-11-001	1	6/15/2021	Can a time determination schedule be provided?	Time Determination schedule is posted to the FTP site.
6381-11-001	2	6/15/2021	Is a 3D model or other Computer Aided Designs available for this project?	3 D Files are not available
6381-11-001	3	6/15/2021	Is the intent to keep the same vertical profile? If not could X sections/Grades be provided.	Cross sections are not available.
6381-11-001	4	6/25/2021	I understand that all Asphalt to be installed on the project will be in 2" intervals. Except that there is an item that calls for 4" planning. All other incidents on the project are calling for 2" planning even where "Pavement repairs" are to be made. Can the 665 intersection be planned in 2" intervals as well?	Where 4 inch planning is shown on plans, planning can be accomplished in 2 inch intervals for an end result of 4 inches. The planning will be paid as shown on the plans.
6381-11-001	5	6/28/2021	Will night work be allowed and if so what would the hours the contractor will be allowed to work.	Night work in accordance with the general notes will be allowed upon request to the Area Engineer. Nighttime hours will be considered 9 pm to 6 am.
