

6400-88-001 US 281, Etc. Prebid Questions and Responses

CSJ	Question Number	Date Received	Question	Response
6400-88-001	1	4/19/2022	Good morning. I have a pre-bid question for the Jim Wells US 281 project. This is a non-site specific callout project. It does not appear to include any 500 6003 or 500 6033 Mobilization pay items. Can these items be added?	Reference Sheet 3 of the General Notes under Item 500 for clarification on Mobilization.
6400-88-001	2	4/27/2022	<p>1. Will bid item 666 6255 be used differently than bid item 666 6302? If so, can you please detail the circumstances each will be used?</p> <p>2. For item 677, did TxDOT require the Surface Treatment Method of removal on the previous call-out pavement marking contract?</p>	<p>1. Item 666-6255 will be utilized to address small stretches of roadway or repair areas. Item 666-6302 will be utilized to address longer stretches of roadway.</p> <p>2. No; Per General Note Sheet 4 Item 677, the removal method must be approved by the engineer.</p>
