

Pre-Bid Question Form

Project: MMC-635470001
From: Various Roadways
To: _____
Control: 6354-70-001
Highway: SH 0034
County: Kaufman-Rockwall

Provider: _____
Date: _____
Recipient: _____
Company: _____
Phone No.: _____
Meeting: _____

Question 1:

The Kaufman co flexbase project shows the site delivery items to be paid by the cubic yard. Will TXDOT consider changing this to payment by the ton to minimize potential errors in payments caused by different capacities on various trucks?

Response: This material will be paid for by the CY.

Question 3:

I have one more question for clarification. **Under Item 9 Item Measurement and Payment** – Will payment be based on the rated capacity of the vehicle per the # of loads delivered for each individual vehicle?

Response: Correct. Payment (CY) will be based on load counts of pre-approved vehicles.
