1	In reviewing the bid items for the subject line job, we noticed the repairs are grouped as a total for each of the 4 counties (El Paso, Hudspeth, Culberson, Jeff Davis). We are kindly requesting a breakdown of bid items per county, as prices vary from county to county, to accurately price our proposal.	This callout contract is composed of several bid items for concrete work and a bid item for mobilization for performing the work at locations shown in the plans. The general notes state the nature of the work to be performed and the items to be used. Bid as proposed in the plans.
