1	<p>Summer Months (June – August): Perform janitorial maintenance of all picnic areas shown on Table 3 on sheet 6, 3 times per week (Monday, Wednesday, and Friday or as directed by the engineer). This work will be paid for by the cycle each summer month for all locations using Item 745-6154. However, under that item there is only 3 cycles listed on the contract. Given what the plans say there should be around 36 cycles during those months. The item in question is 745-6154 Janitorial Maintenance (Picnic Areas)</p>	<p>Per the general notes, “Summer Months (June – August): Perform janitorial maintenance of all picnic areas shown on Table 3 on sheet 6, 3 times per week (Monday, Wednesday, and Friday or as directed by the Engineer). This work will be paid for by the cycle each summer month for all locations using Item 745-6154”. The plans have a quantity of 3 cycles for bid code 745-6154, which correlate to the summer months of June, July, and August in which work is to be performed. As stated in the general notes, This work will be paid for by the cycle each summer month, i.e. only one cycle will be paid for each summer month for all work performed at all picnic areas.</p>
