

Pre-Bid QA MMC 6361-80-001 Asphalt Emulsion Materials Only Contract

This is a materials only contract to purchase Asphalt Emulsion for use in the Houston Distirct

	Date Received	Questions	Answers
1	8/03/2020	What is the minimum quantity you will want for delivery to your location?	The minimum quantity is 1000 Gallons. However, deliveries will be very minimal, we plan to pick up the material from the supplier's yard.
2	8/03/2020	Will you need pump and hose for deliveries?	No.
3	8/03/2020	I looked at the plans and see the map that is given, however, it does not very clearly show where deliveries might be made. Do you have any other information you can give me on the deliveries so I can better determine	The plan is to use this material in all six counties (Montgomery, Ft Bend, Waller, Galveston, Brazoria, and Harris). However, our plan is to pick up this material from the supplier's yard and we expect very minimal deliveries.
