CE Determination for project with TxDOT project sponsor, Lead Agency is FHWA-Assigned to TxDOT

By my approval below, I confirm the following with respect to this project, and all projects which have been associated with this project in ECOS. This project or these projects:

- meet the definition of a categorical exclusion (CE) contained in 40 CFR 1508.4, and, based on past experience with similar actions, do not involve significant environmental impacts;
- do not induce significant impacts to planned growth or land use for the area;
- do not require the relocation of significant numbers of people;
- do not have a significant impact on any natural cultural recreational historic or other resource;
- do not involve significant air, noise, or water quality impacts;
- do not have significant impacts on travel patterns;
- do not otherwise, either individually or cumulatively, have any significant environmental impacts;
- do not involve unusual circumstances including substantial controversy on environmental grounds; significant impact on properties protected by section 4(f) of the DOT Act or section 106 of the National Historic Preservation Act; or inconsistencies with any Federal, State, or local law, requirement or administrative determination relating to the environmental aspects of the action; and
- meet the definition and any conditions on the use of the specific CE criterion identified above.

I further confirm that this project or these projects are categorically excluded from the requirements to prepare an environmental assessment or environmental impact statement under the National Environmental Policy Act.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
