Bid Opening Date: 5/4/2022

No.	Question	Date Received	Response	Response Date
1	Can you please review the estimated cost for this project, it seems low based on the nature of the work & pay items associated with the project?	4/22/2022	The Engineer's Estimates for projects are for informational purposes only. The estimated amount is not intended to be used by perspective bidders as a guide in which to bid the projects. Perspective bidders should determine each individual bid item cost based on their assessment of the labor, material, equipment, overhead burden, etc. when submitting their proposed bid prices for projects.	4/25/2022
2	Can you provide a time determination schedule?	4/22/2022	The contract time determination schedule will be uploaded to the FTP site.	4/25/2022
3	Will PCMS be required for this project, we have not found pay items? If they are required, will you provide pay items as PCMS are a measureable item of work?	4/22/2022	The use of Portable Changeable Message Signs is not anticipated to be required for this project at this time.	4/25/2022
