| # | DATE RECEIVED | STATUS | QUESTION | ANSWER |
|----|---------------|-------------|--|--|
| 1 | 6/19/2019 | In Progress | I did see an error on sheet (D) in the general notes, example 1, it has 644-6001 and I think the intentions were to be 544-6001? | Yes, you are correct about the error in the general notes; that should be item 544 not 644. Since the item description is correct we will not make any changes to the note prior to letting. |
