

JOIN US FOR AN OPEN HOUSE

Traffic congestion on I-35 is a serious problem that negatively impacts mobility, safety and our quality of life. TxDOT is working with the community to transform I-35 into a smart and efficient highway system.

LEARN ABOUT THE PROPOSED I-35 PROJECT AT SH 123

- Reconstruct and improve the SH 123 traditional interchange
- Reverse and realign ramps along the frontage roads from south of SH 80 to north of RM 12
- Relocate the entrance ramp along the southbound frontage road from SH 80
- Reconstruct portions of the northbound and southbound frontage roads, including improving bicycle and pedestrian accommodations
- Reconstruct bridges over the San Marcos River, Willow Springs Creek and SH 123
- Widen the southbound frontage road bridge over the San Marcos River
- Add auxiliary lanes, or extended entrance/exit lanes, to the mainlanes and frontage roads

WHEN:

Tuesday, Oct. 25, 2016
5:30 - 7 p.m.

WHERE:

San Marcos High School
2601 E. McCarty Lane
San Marcos, TX 78666

Come and go at your convenience to review materials and provide comments or visit www.mobility35openhouse.com. Comments received by Nov. 8, 2016 will be included in the official record.

If you have communication or accommodation needs, please contact Adeliza Ramirez at (512) 832-7244 or adeliza.ramirez@txdot.gov at least three business days prior to the event.

UNABLE TO ATTEND?

Review open house materials and provide comments online at our Virtual Open House October 25 - November 8
www.mobility35openhouse.com

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
