**Facility Names With A Double Asterisk Indicate Facilities Outlined in Yellow are in the Heliport (HE)**

Texas Airport System Plan 2010

The Texas Airport System Plan (TASP) was developed by the Texas Department of Transportation, Aviation Division. The TASP was funded in part by an Airport System Development Act of 1994, as amended. The Texas Transportation Institute, part of the Texas A&M University System, was contracted to do the TASP.
