The Bryan District of the Texas Department of Transportation (TxDOT) will construct new intersections of the IH 45 frontage roads with FM 1375 to enhance safety. An informal open house is scheduled for Tuesday, June 17, 2014, between 5:00 p.m. and 7:00 p.m. at New Waverly Elementary School to present the changes. Construction of two roundabouts along FM 1375 at each frontage road will begin soon. The meeting will provide awareness of the changes to the intersection. Since this is in an open-house format, no formal presentation is planned. Attendees may come and go at their convenience.

All interested citizens are invited to attend.

Any person who has special accommodation needs for attending or has any questions concerning the meeting is encouraged to contact our office at (979) 778-9727. Sí desea información en Español, puede llamar al (979) 778-9615.
