Note: Precast junction boxes, manholes and inlets will have the fabricator’s designated approval stamp, as shown on the following pages, placed on approved members.

### General

The Department reserves the right to conduct random sampling and testing, and visual inspections of materials from approved fabrication plants. Department representatives may sample and inspect material from the fabrication plant or the project site. Materials and Tests Division (MTD) reserves the right to test samples to verify compliance with Item 465.

For more information, contact MTD’s Prefabricated Structural Materials Section at (512) 993-7117.
