

Detectable Warning Material

The following detectable warning materials have been qualified according to a placement test as outlined in DMS-4350, “Detectable Warning Material.”

The Department reserves the right to reevaluate the initial material installation and any subsequent field installations to ensure a continued level of acceptable performance. Failure of materials to comply with the requirements of the applicable specifications may be cause for removal from this list.

Pre-Qualified Producers of Detectable Warning Material

Surface Applied		
Product	Company	Contact
Armor Tile Surface Applied Tile (vitrified polymer composite)	Engineered Plastics, Inc. Williamsville, NY https://armor-tile.com/	Ph: 800-682-2525 sales@engplastics.com info@engplastics.com Contact Information
AlertTile (rigid polyester elastomer composite)	Detectable Warning Systems Jacksonville, FL https://detectable-warning.com/	Ph: 866-999-7452 info@detectable-warning.com Contact Information: https://detectable-warning.com/products/alerttile/
“Redi-Mat” Detectable Warning Mat (polyurethane)	Professional Pavement Products Jacksonville, FL https://pppcatalog.com/contact-us/	Ph: 888-717-7771 info@pppcatalog.com General Contact Information: https://pppcatalog.com/product/redimat-duo/
SSTD-Mat Tactile Warning Device System (dome sheet with polymer modified cement and acrylic emulsion materials)	Safety Step TD Redlands, CA http://www.safetysteptd.com/	Ph: 866-723-3883 General Contact Information: http://www.safetysteptd.com/traditional.htm
Surface Applied/Retrofit Tiles (glass and carbon reinforced composite)	ADA Solutions, Inc. North Billerica, MA https://adatile.com/	Office: 800-372-0519 Request A Quote: https://adatile.com/surface-applied/ General Contact Information:

Pre-Qualified Producers of Detectable Warning Material		
Surface Applied		
Product	Product	Product
Access Tile Surface Applied (engineered polymer composite tiles)	Access Products, Inc. Buffalo, NY https://accesstile.com/	Office: 888-679-4022 General Contact Infomation: https://accesstile.com/surface-applied/
