Re: US 77 Upgrade from Kingsville to Driscoll Project
Issuance of Addendum 3 to Request for Proposals

To All Shortlisted Proposers:

The Texas Department of Transportation ("TxDOT") is pleased to issue herewith Addendum 3 to the Request for Proposals ("RFP Addendum 3") for the US 77 Upgrade from Kingsville to Driscoll Project to the shortlisted Proposers.

The RFP Addendum 3 documents include only those listed below and are now available on the Project Website:

Volume I: Instructions to Proposers (ITP)

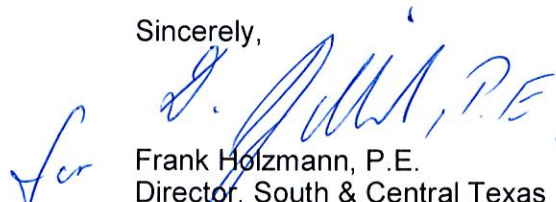

1. ITP

Please note that only those documents which are modified by RFP Addendum 3 are provided. Redline versions of the documents listed above showing changes from RFP Addendum 2, issued October 23, 2012, are provided to the Proposers as a courtesy only. TxDOT is not responsible for any discrepancies in the redlines between RFP Addendum 2 and RFP Addendum 3, and Proposers are cautioned against relying on the redline versions. In the case of any discrepancy, the actual contents of RFP Addendum 3 shall control.

As amended by RFP Addendum 3, please note that Section 2.3 of the Instructions to Proposers prohibits submission of questions and comments on RFP Addendum 3 due to the limited nature of the Addendum.

TxDOT looks forward to working closely with the shortlisted Proposers as we collectively move forward to the next phase of the Project procurement.

Sincerely,

Frank Holzmann, P.E.
Director, South & Central Texas
