El Paso County, Texas  
CSJ: 0924-06-311

The Texas Department of Transportation (TxDOT), the County of El Paso, and the Camino Real Regional Mobility Authority will conduct a public hearing on Tuesday, July 29, 2014 for the proposed FM 3380 (Manuel F. Aguilera Highway) from 0.35 Mile South of SH 20 (Alameda Avenue) to IH-10 in eastern El Paso County, Texas. The Public Hearing will be held at the Rogelio Sanchez Road and Bridge Building located at 1331 North Fabens Road, Fabens, Texas 79838. The hearing will consist of an Open House followed by a formal presentation. The Open House will begin at 6:00 pm. to allow for questions and review of project exhibits. The formal presentation will begin at 7:00 p.m., followed by a public comment period. During the formal comment period no questions will be answered.

The purpose of the hearing is to provide information about the proposed improvements. The County of El Paso recently completed construction of a county-funded portion of Manuel F. Aguilera Highway (referred to as **Phase I**), which extends from the new Tornillo-Guadalupe Port-of-Entry (POE) to SH 20 (Alameda Avenue), southwest of Tornillo, El Paso County, Texas.

The Current Project consists of a new 3.88-mile section of Manuel F. Aguilera Highway from 0.35 mile south of SH 20 to I-10. **Phase II** will build a two-lane roadway providing a direct connection from Manuel F. Aguilera Highway Phase I to I-10. This phase would construct an overpass over the SH 20 and adjacent Union Pacific Railroad (UPRR) rights-of-way. The Horizon 2040 Metropolitan Transportation Plan (MTP) lists the Year of Expenditure for Phase II as 2014. A total of 201.97 acres of land is needed for the project.

Maps showing the project location and design, the environmental document, tentative construction schedule, and other information relative to the project file are on-file and available for review at the El Paso County Road and Bridge Office located at 800 East Overland Avenue - Suite 407, El Paso, Texas 79901.
