Purpose and Need

❖ Purpose

- ❖ To Improve Mobility at the Presidio International Port of Entry***

❖ Need

- ❖ Improve Reliability and Public Safety on Cross Border movements***
- ❖ Reduce congestion and wait times for border crossing traffic***
- ❖ Enhance the free flow of commodities between the United States and Mexico***

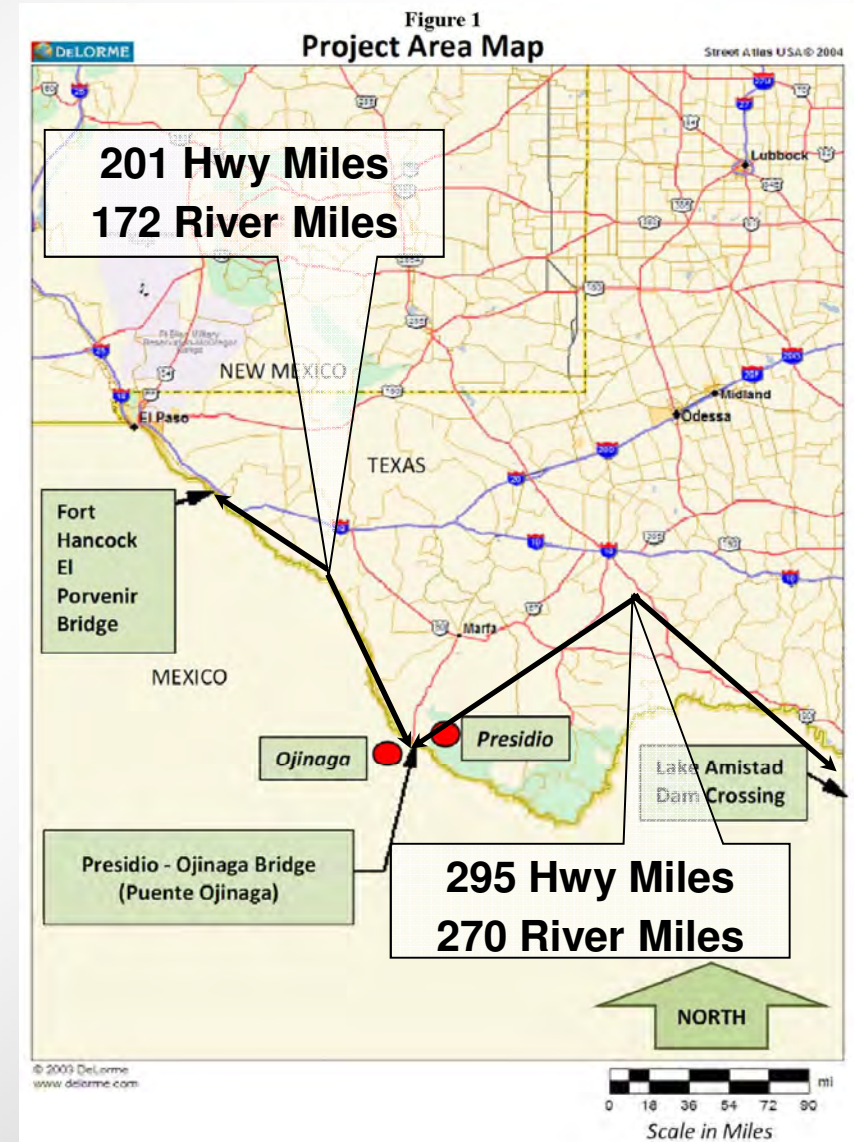

PROJECT ELEMENTS

❖ *Project Background – Project Location*

- ❑ Presidio County Received Presidential Permit in 1976 as a toll facility
- ❑ Permit Amended in 1982 which changes “Permittee” from County to the State of Texas and permit states bridge to be operated toll-free
- ❑ Proposed New Permit Amendment 2013-2014 with “Permittee” changed from State of Texas to Presidio County and states bridge is a tolled facility

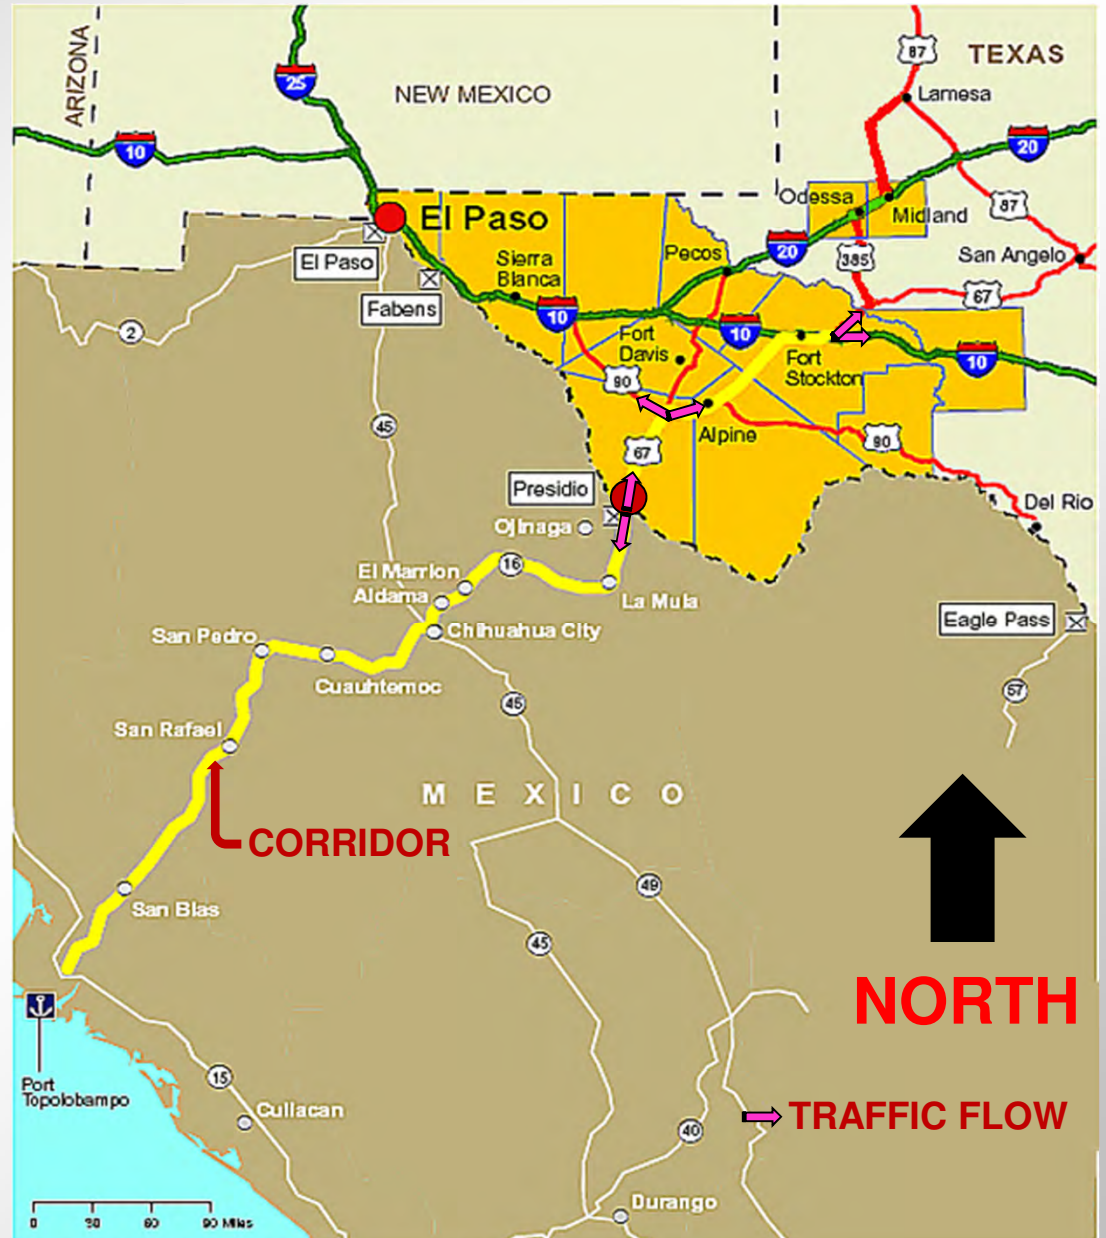

PROJECT ELEMENTS

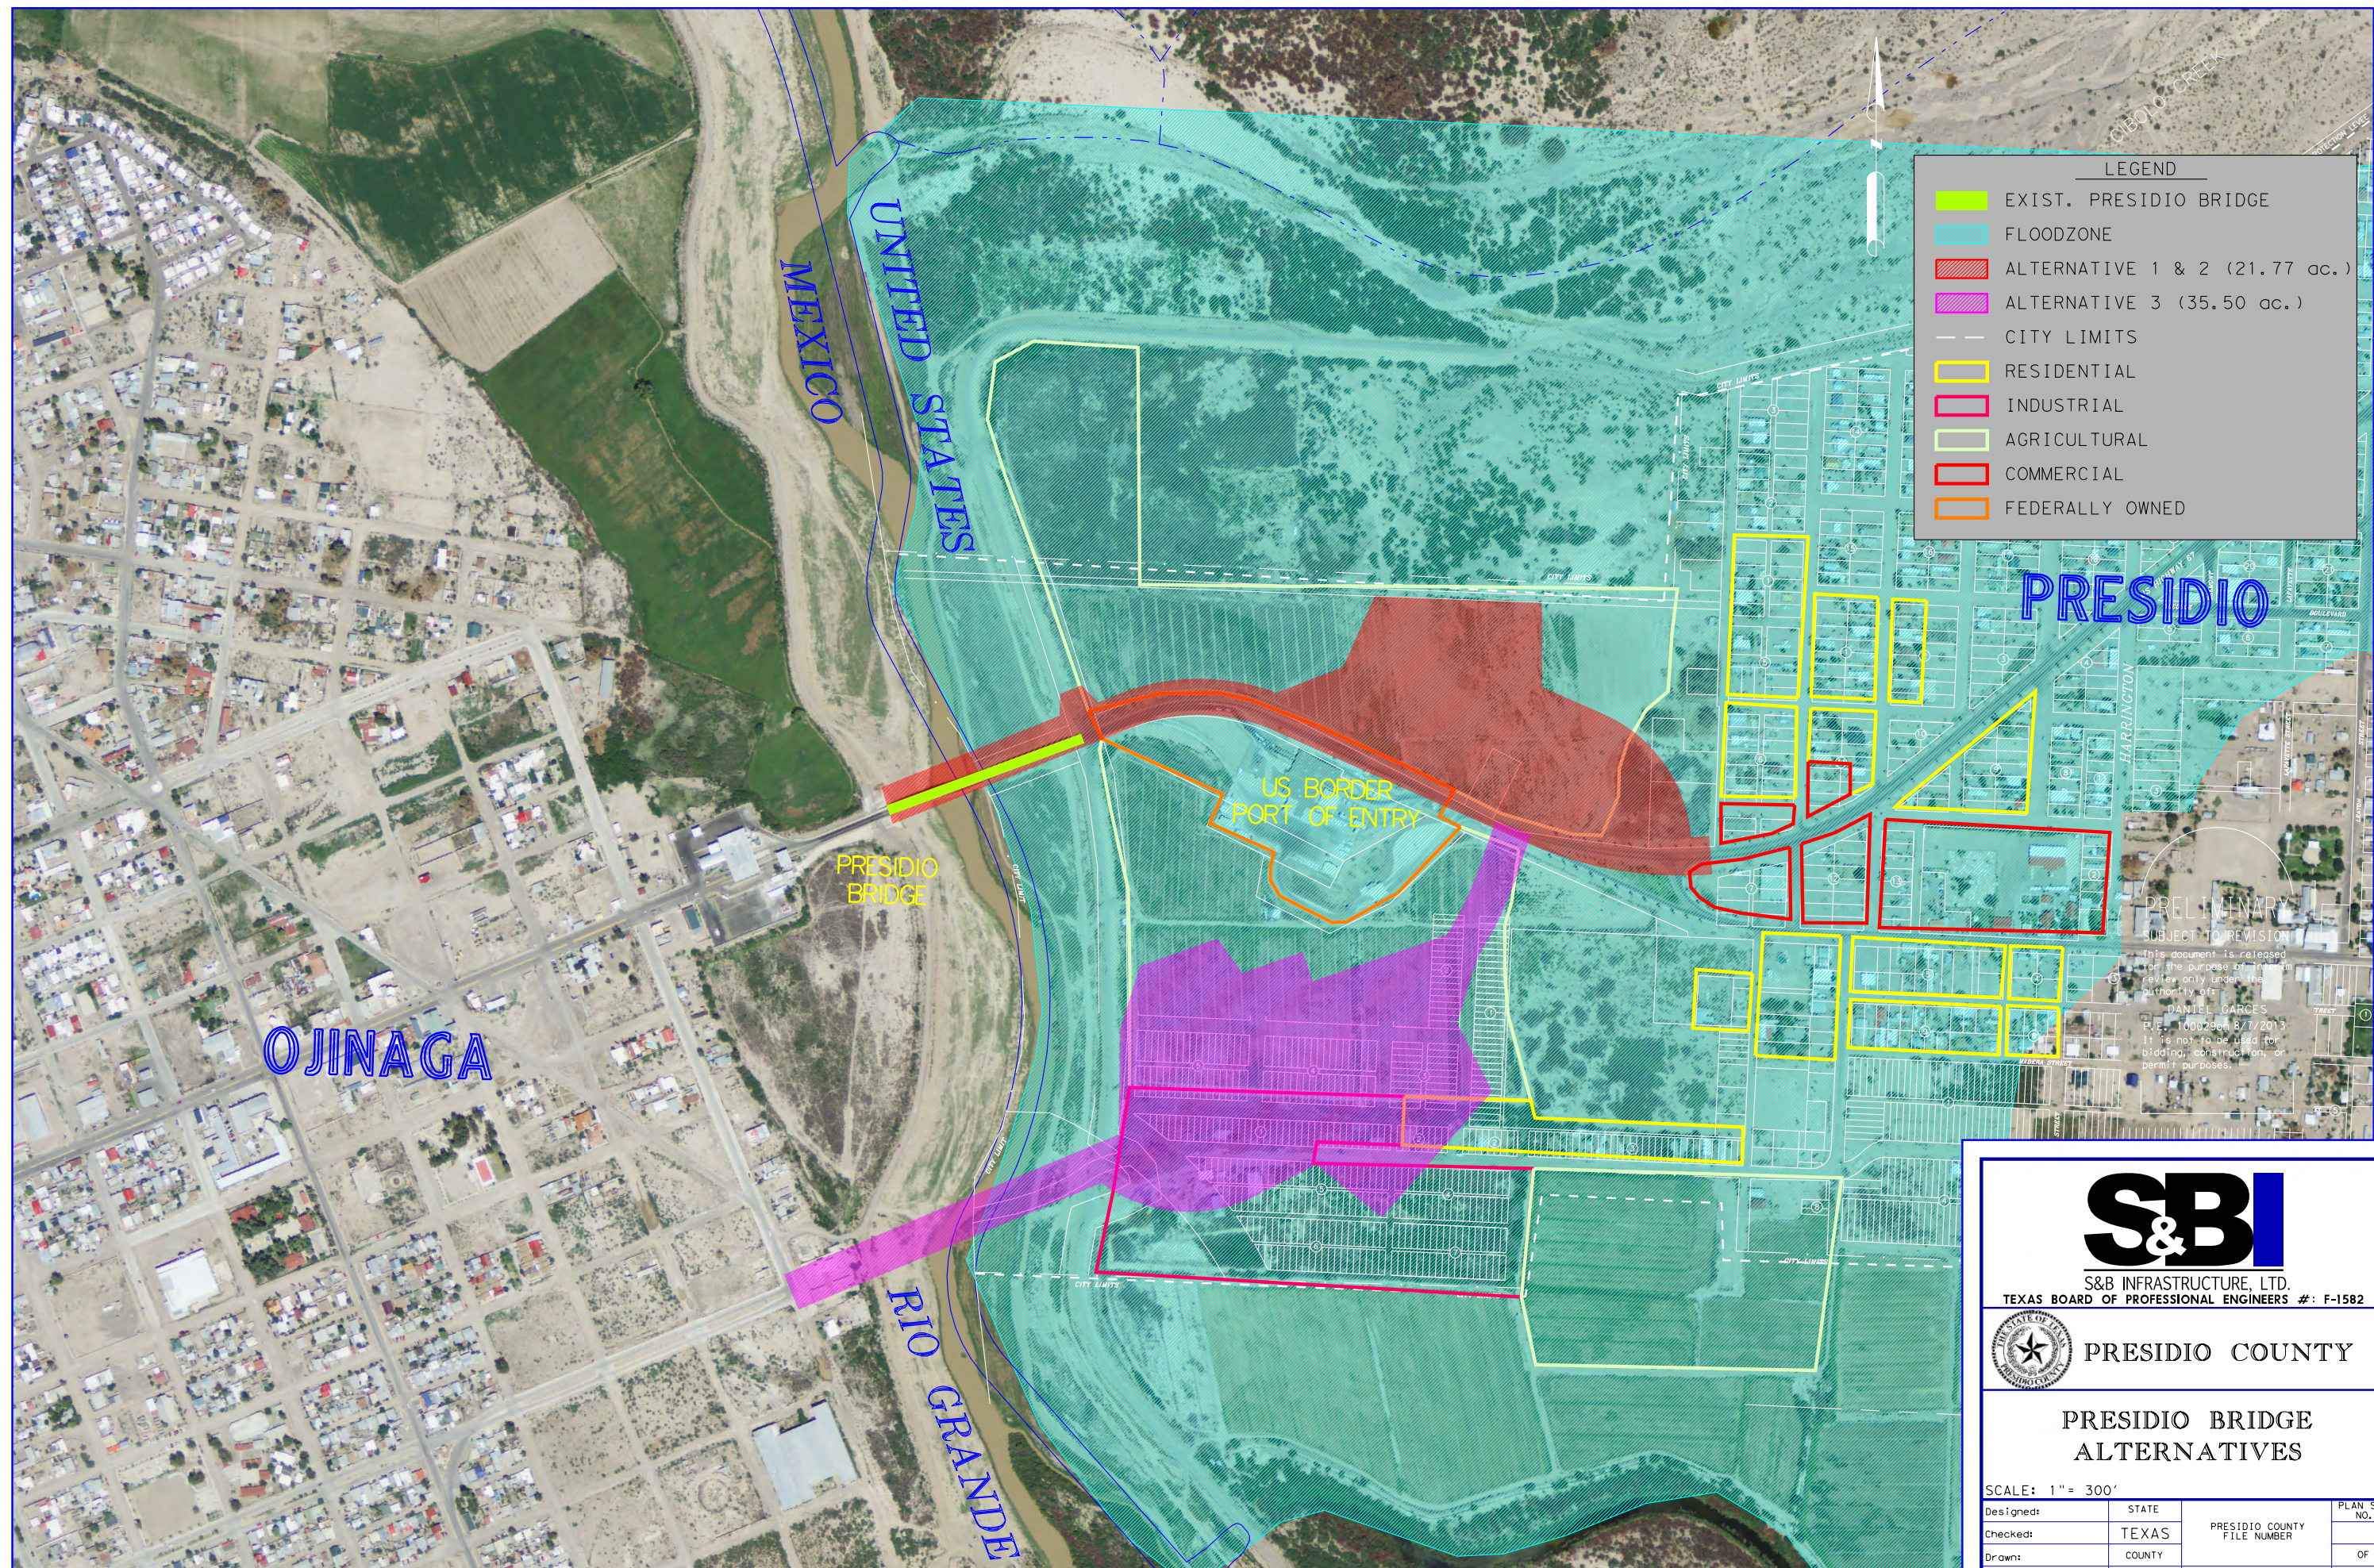

❖ *Project Background – Project Location*

- In late 2003, the State of Chihuahua finished the initial phase of a Corridor in Mexico with completion of the new highway between Chihuahua City and Ojinaga. This road cuts the driving time in half over the existing roadway, and provides an excellent roadway for transporting delicate freight materials.
- Since completion of the road, commercial border crossings have increased over 300% at Presidio/Ojinaga.
