

NOTICE FOR A  
PUBLIC HEARING FOR BICYCLE USE

In accordance with Title 43, Texas Administrative Code, 25.55 (b), the Texas Department of Transportation (TxDOT) Fort Worth District is partnering with North Central Texas Council of Government (NCTCOG) to offer a public hearing on transportation projects and programs that might affect bicycle use. The public hearing will be held from 5:00 to 8:00 p.m. on Thursday, June 23, 2016, in the City of North Richland Hills at Grand Hall on 6000 Hawk Avenue, North Richland Hills, TX 76180.

The public hearing will consist of a presentation from TxDOT and NCTCOG beginning at 6:00 p.m. with an open house format before and after the presentations. Maps, roadway drawings, and photographs will be on display to discuss existing and planned bicycle accommodations on-off-road within the Dallas/Fort Worth regional area.

The purpose of this public hearing is to provide information on bicycle plans, policies, programs, and upcoming projects for the TxDOT Fort Worth District and the NCTCOG, and also to receive public comments. The public will have an opportunity to provide comments and make recommendations on transportation projects and programs as they relate to bicyclists.

Comments may be presented either at the hearing or in writing within 10 days after the public hearing (postmarked on or before July 5, 2016). Written comments not submitted at the hearing should be mailed to: TxDOT Fort Worth District at 2501 S.W. Loop 820, Fort Worth, Texas 76133, Attn: Phil Hays, P.E.

The public hearing will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, or need an interpreter, are encouraged to contact the TxDOT Fort Worth District Public Information Office at (817) 370-6737. Requests should be made at least two working days prior to the date of the public meeting. Every reasonable effort will be made to accommodate these needs. Persons having general questions or concerns regarding the hearing or transportation projects and programs that might affect bicycle use may contact Phil Hays, P.E. at (817) 370-6591.
