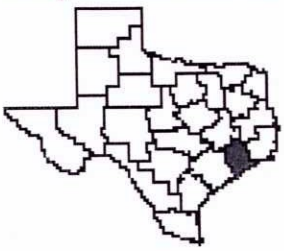
Texas Department of Transportation

PUBLIC MEETING COMMENT FORM

October 9, 2007



Proposed Widening of IH-10 (from FM 359 to FM 3538)

Waller and Austin Counties, Texas

Welcome to TxDOT's Public Meeting for the proposed widening of Interstate Highway 10 (IH-10) from FM 359 in Waller County to FM 3538 in Austin County. The purpose of this meeting is to present, for public comment, the proposed alternative. The meeting is being held in an open-house format (i.e., no formal presentation will be conducted). The proposed alternative would require additional right-of-way acquisition for the roadway project and associated intersection improvements. Please provide any comments and/or suggestions you may have regarding the proposed project and return to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas, 77251-1386, at any time on or before October 22, 2007. Comments may also be e-mailed to the following address: hou-piowebmail@dot.state.tx.us.

1. How did you hear about this meeting? (Please check-mark all answers that apply to you.)

- [x] Newspaper
- [x] Friend or Neighbor
- [ ] Mailed Notice
- [ ] Church
- [ ] School Notice
- [ ] Telephone Notice
- [ ] Other (please explain): _____

2. How does IH-10 affect you? (Please check-mark all answers that apply to you.)

- [ ] I live along IH-10.
- [ ] I use IH-10 to get to and/or from my job.
- [ ] My job is at a company on IH-10.
- [ ] I live and/or work within a short distance of IH-10.
- [x] Other: (please explain): We cross I-10 to go to Sealy. We live south of I-10 on FM 1458

3. Please provide any comments that you may have on the proposed widening of IH-10.

WHAT PROBLEMS WILL WE HAVE WITH ROAD CONDITIONS?

(continue comments on the back of this form)

4. Do you want to be included on the mailing list for future meetings regarding this proposed project?

Name PAUL & Dottie WATTHUBER

Address P.O. BOX 727 City SEALY Zip Code 77474

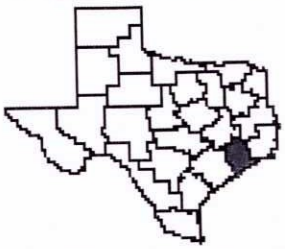
PUBLIC MEETING COMMENT FORM

October 9, 2007



Proposed Widening of IH-10 (from FM 359 to FM 3538)

Waller and Austin Counties, Texas

Welcome to TxDOT's Public Meeting for the proposed widening of Interstate Highway 10 (IH-10) from FM 359 in Waller County to FM 3538 in Austin County. The purpose of this meeting is to present, for public comment, the proposed alternative. The meeting is being held in an open-house format (i.e., no formal presentation will be conducted). The proposed alternative would require additional right-of-way acquisition for the roadway project and associated intersection improvements. Please provide any comments and/or suggestions you may have regarding the proposed project and return to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas, 77251-1386, at any time on or before October 22, 2007. Comments may also be e-mailed to the following address: hou-piowebmail@dot.state.tx.us.

1. How did you hear about this meeting? (Please check-mark all answers that apply to you.)

- ☐ Newspaper
- ☒ Friend or Neighbor
- ☐ Mailed Notice
- ☐ Church
- ☐ School Notice
- ☐ Telephone Notice
- ☐ Other (please explain): _____

2. How does IH-10 affect you? (Please check-mark all answers that apply to you.)

- ☒ I live along IH-10.
- ☐ I use IH-10 to get to and/or from my job.
- ☐ My job is at a company on IH-10.
- ☐ I live and/or work within a short distance of IH-10.
- ☐ Other: (please explain): _____

3. Please provide any comments that you may have on the proposed widening of IH-10.

MAKE COMPLETELY SURE THAT ADEQUATE DRAINAGE IS PROVIDED FOR ON THIS PROJECT. ALLEN'S CREEK HAS BEEN A REAL BIG PROBLEM FOR MANY, MANY YEARS... ANY WORK ON I-10 AND IT'S FEEDERS "MUST" INCLUDE A DRAINAGE SOLUTION THAT CAN SATISFY THOSE DOWNSTREAM & THOSE UPSTREAM FROM I-10.

...ALSO... TXDOT SHOULD CONSIDER ADDRESSING THE IMMINENT NOISE FACTOR THAT WILL RESULT FROM EXPANSION.

(continue comments on the back of this form)

4. Do you want to be included on the mailing list for future meetings regarding this proposed project?

Name FRED PATEK

Additional comments:

"The Texas Transp. Dept has lately warned of a budget crunch. Yet the highway agency raked in more federal funds than all but three other state agencies around the nation in the first three quarters of the 2006 fiscal year. $2.9 billion. These and other findings are included in a state-by-state breakdown of federal spending by OMB Watch.

PUBLIC MEETING COMMENT FORM

October 9, 2007

Proposed Widening of IH-10 (from FM 359 to FM 3538)

Waller and Austin Counties, Texas

Welcome to TxDOT's Public Meeting for the proposed widening of Interstate Highway 10 (IH-10) from FM 359 in Waller County to FM 3538 in Austin County. The purpose of this meeting is to present, for public comment, the proposed alternative. The meeting is being held in an open-house format (i.e., no formal presentation will be conducted). The proposed alternative would require additional right-of-way acquisition for the roadway project and associated intersection improvements. Please provide any comments and/or suggestions you may have regarding the proposed project and return to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas, 77251-1386, at any time on or before October 22, 2007. Comments may also be e-mailed to the following address: hou-piowebmail@dot.state.tx.us.

1. How did you hear about this meeting? (Please check-mark all answers that apply to you.)

- [x] Newspaper
- [ ] Friend or Neighbor
- [ ] Mailed Notice
- [ ] Church
- [ ] School Notice
- [ ] Telephone Notice
- [ ] Other (please explain): _____

2. How does IH-10 affect you? (Please check-mark all answers that apply to you.)

- [ ] I live along IH-10.
- [ ] I use IH-10 to get to and/or from my job.
- [ ] My job is at a company on IH-10.
- [ ] I live and/or ~~work~~ TRAVel within a short distance of IH-10.
- [ ] Other: (please explain): _____

3. Please provide any comments that you may have on the proposed widening of IH-10.

I would like to see FM 1458 bridge placed on the ground level + the I-10 corridor to have an overpass, similar to the Mason Rd change out

(continue comments on the back of this form)

- [ ] Other: (please explain): _____

3. Please provide any comments that you may have on the proposed widening of IH-10.

The traffic along I 10 has never been congested at this point of the freeway. I feel it would be wrong to take additional right of way.

According to the map there are low lying areas prone to flooding. Cementing this area in would make this problem worse. If another lane is needed, the additional lane could come from the right of way the state already has.

tional comments:
- would violate the rest area in Brookshire (Lots of water from the river & trees. planted on various areas
Why is a toll road only planned between Brookshire and Sealy? I feel a toll road is especially wrong. Take the people's property and then charge them to drive,

There are a lot of properties with structure close to the feeder and farm land with crops,
The I 10 work in Houston does not seem to be consistant with what is going to meet up in Brookshire
one way lanes on feeder would be inconsistent and a waste of fuel for the distance to be driven.

Additional comments:

There are also lots of pecan trees between feeder & freeway and a nice rest stop in Brookshire.
There are also lots of farm land with pastures & crops.
We need crops more than we need cement.
There are properties with structures & businesses.
Also it would be inconvinent to have one way feeder roads.
It would be unfair to take people's property & charge them to drive on the roads.

Additional comments:

lanes either for a very long time, if ever then. We will have to drive so much further since the frontage rd. will be a one way, to get to & from our house. The road being so close to the house will have me worried about cars & heavy trucks coming through my house if they loose control or have an accident since they will be traveling so fast & be so close. We do not need toll roads this far from Houston & San Antonio. As you can see from my address, I'm already right by the I-10 frontage rd.

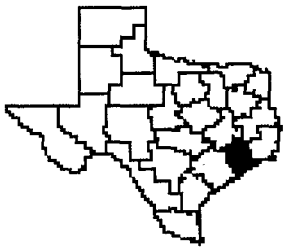
PUBLIC MEETING COMMENT FORM

October 9, 2007



Proposed Widening of IH-10 (from FM 359 to FM 3538)

Waller and Austin Counties, Texas

Welcome to TxDOT's Public Meeting for the proposed widening of Interstate Highway 10 (IH-10) from FM 359 in Waller County to FM 3538 in Austin County. The purpose of this meeting is to present, for public comment, the proposed alternative. The meeting is being held in an open-house format (i.e., no formal presentation will be conducted). The proposed alternative would require additional right-of-way acquisition for the roadway project and associated intersection improvements. Please provide any comments and/or suggestions you may have regarding the proposed project and return to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas, 77251-1386, at any time on or before October 22, 2007. Comments may also be e-mailed to the following address: hou-piowebmail@dot.state.tx.us.

1. How did you hear about this meeting? (Please check-mark all answers that apply to you.)

- [x] Newspaper
- [ ] Friend or Neighbor
- [x] Mailed Notice
- [ ] Church
- [ ] School Notice
- [ ] Telephone Notice
- [ ] Other (please explain): _____

TX DOT RECEIVED OCT 23 2007 HOUSTON MAIL OPERATIONS

2. How does IH-10 affect you? (Please check-mark all answers that apply to you.)

- [x] I live along IH-10.
- [ ] I use IH-10 to get to and/or from my job.
- [ ] My job is at a company on IH-10.
- [x] I live and/or work within a short distance of IH-10.
- [ ] Other: (please explain): My mom did live along IH-10 -

3. Please provide any comments that you may have on the proposed widening of IH-10.

We hope and pray no more land will be taken, Land was taken [redacted] already [redacted] years ago for IH-10. My mom's house is almost 100 years old. (1908) if I'm correct. The house and land was left to my dad's mom thru marriage, then to dad's mom God has taken care of this house and farmland thru the hard times and bad weather & storms. My mom is 88 years old, she has lived in this house since approx 1938, when they got married.

(continue comments on the back of this form)

4. Do you want to be included on the mailing list for future meetings regarding this proposed project?

DPD

Additional comments:

Can you imagine your mom moving if it has to come to it and starting over. I live with her and we love this place. Some parts of the house was added on. [redacted] There is a lot more to say, but we just hope and pray we won't have to move and start all over. Too much land is being taken from people and puts a lot of stress on everyone. It's hard to put down in words, on paper on how we feel. I work in the cafeteria kitchen at Waller Jr High and that's not a lot of money in that kind of [redacted] Hard work. I thank God I can still work and that's he is watching over and protecting my mom's place and land

2. How does IH-10 affect you? (Please check-mark all answers that apply to you.)

- [X] I live along IH-10.
- [X] I use IH-10 to get to and/or from my job.
- [X] My job is at a company on IH-10.
- [ ] I live and/or work within a short distance of IH-10.
- [ ] Other: (please explain): _____

3. Please provide any comments that you may have on the proposed widening of IH-10.

The traffic along I 10 has never been congested at this point of the freeway. I feel it would be wrong to take additional right of way.

According to the map there are low lying areas prone to flooding. Cementing this area in would make this problem worse. If another lane is needed, the additional lane could come from the right of way the state already has.

tional comments:
- would violate the rest area in Brookshire (Lots of water from the river & trees. planted on various areas
Why is a toll road only planned between Brookshire and Sealy? I feel a toll road is especially wrong. Take the people's property and then charge them to drive,

There are a lot of properties with structure close to the feeder and farm land with crops,
The I 10 work in Houston does not seem to be consistant with what is going to meet up in Brookshire
one way lanes on feeder would be inconsistent and a waste of fuel for the distance to be driven.

Additional comments:

There are also lots of pecan trees between feeder & freeway and a nice rest stop in Brookshire.
There are also lots of farm land with pastures & crops.
We need crops more than we need cement.
There are properties with structures & businesses.
Also it would be inconvinent to have one way feeder roads.
It would be unfair to take people's property & charge them to drive on the roads.

Additional comments:

are coming up, there will diffinetly need these. This is in the city limits and growth will come. A TX Dot representitive did say that the city was also working and trying to get this done. I think that with or without city funding this should be a priority in this area.

The funds spent on this would save money ~~on~~ in the long run, because in just a few years it would have to be done and at a higher cost and time spent re-negotiating land & etc!

Thank You

Additional comments:

Sealy and it did not show on and off ramps, or frontage roads on the sketchs of project

This area is one of the most likely areas for development in a short period of time. The new high school is here & traffic is on a steady increase.

Frontage roads and ramps should be a priority on this project.

I would also like for some other solution on the frontage roads going under the rail. This will be a problem with flooding big time

Thank you

Proposed Widening of IH-10 (from FM 359 to FM 3538)

Waller and Austin Counties, Texas

Welcome to TxDOT's Public Meeting for the proposed widening of Interstate Highway 10 (IH-10) from FM 359 in Waller County to FM 3538 in Austin County. The purpose of this meeting is to present, for public comment, the proposed alternative. The meeting is being held in an open-house format (i.e., no formal presentation will be conducted). The proposed alternative would require additional right-of-way acquisition for the roadway project and associated intersection improvements. Please provide any comments and/or suggestions you may have regarding the proposed project and return to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas, 77251-1386, at any time on or before October 22, 2007. Comments may also be e-mailed to the following address: hou-piowebmail@dot.state.tx.us.

1. How did you hear about this meeting? (Please check-mark all answers that apply to you.)

- [x] Newspaper
- [ ] Friend or Neighbor
- [x] Mailed Notice
- [ ] Church
- [ ] School Notice
- [ ] Telephone Notice
- [ ] Other (please explain): _____

2. How does IH-10 affect you? (Please check-mark all answers that apply to you.)

- [x] I live along IH-10.
- [ ] I use IH-10 to get to and/or from my job.
- [ ] My job is at a company on IH-10.
- [ ] I live and/or work within a short distance of IH-10.
- [ ] Other: (please explain): _____

3. Please provide any comments that you may have on the proposed widening of IH-10.

① OUR HOUSE WILL BE 40' FROM FEEDER ROAD WHAT ABOUT NOISE, VIBRATION?

② REIMBURSEMENT FOR MOVING FENCE.

③ CONSTRUCT A WALL FOR NOISE, SAFETY & PRIVECY,

SCANNED ON

Subject: Response to Public hearing in Sealy for IH 10 Improvements

Attachments: MOD.JPG; SCH.JPG
Statement:
There is no reason to elevate the south frontage road at Chew Road Overpass at station 704+20. This design is not the only method to get the traffic off of the frontage road. This design will not provide the frontage to the property that already exists from station 695+00 to station 703+90 in the southeast quadrant of Chew Road Overpass.

ALTERNATE DESIGN (see MOD.JPG)
By extending the Chew Road Overpass to the south, the south frontage road will be at grade. By adding retaining walls adjacent to Chew Road on the southeast and southwest quadrants, access ramps can be placed adjacent to Chew Road (see MOD.JPG) The entrance ramp to IH 10 can start at station 693+00 and not at station 700+00.

This same design alternative can be used at the FM 1458 Overpass as well.
YOUR CURRENT SCHMATIC DOES NOT DO ANYTHING FOR THE AJACENT LANDOWNERS OR BUSINESS BUT HURT THEM. THIS IS AN ALTERNATE SOLUTION THAT WOULD WORK AND WOULD NOT COST MORE THAN THE CURRENT DESIGN WITH RETAINING WALLS PARALLEL TO I 10.
NORTH OF IH 10 IS A DIFFERENT MATTER DUE TO THE RAILROAD TRACKS!

I am requesting the department to review this alternative as part of my response to the public hearing process in accordance with TxDOT procedures.

Larry Blazek, P.E.
