

EXHIBIT 10

INSURANCE REQUIREMENTS

1. Builder's Risk Insurance During Construction

At all times during any period in which construction work is in progress during the Maintenance Term, Maintenance Contractor shall procure and keep in force a policy of builder's risk insurance as specified below.

(a) The policy shall provide coverage for "all risks" of direct physical loss or damage to the portions or elements of the Project under construction, excluding terrorism but including the perils of earthquake, earth movement, flood, storm, tempest, windstorm, hurricane, and tornado and subsidence; shall contain extensions of coverage that are typical for a project of the nature of the Project; and shall contain only those exclusions that are typical for a project of the nature of the Project.

(b) The policy shall cover (i) all property, roads, buildings, structures, fixtures, materials, supplies, foundations, pilings, machinery and equipment that are part of or related to the portions or elements of the Project under construction, and the works of improvement, including permanent and temporary works and materials, and including goods intended for incorporation into the works located at the Site, in storage or in the course of inland transit on land to the Site, (ii) all existing property and improvements that are within the construction work zone or are or will be affected by the construction work, and (iii) valuable papers and restoration of data, plans and drawings.

(c) The policy shall provide coverage per occurrence up to the maximum probable loss amount of \$100,000,000, including a sublimit acceptable to TxDOT for professional fees, demolition and debris removal, without risk of co-insurance; provided, however, that the policy may also include the following sublimits (i) for earth movement and flood an amount of not less than \$5,000,000 per occurrence and \$10,000,000 aggregate, (ii) for existing property and improvements an amount of not less than \$1,000,000, (iii) for building ordinance compliance an amount of not less than \$5,000,000, and (iv) for "soft cost expense" an amount acceptable to TxDOT.

(d) TxDOT and the Indemnified Parties shall be named as additional insureds on the policy. The policy shall be written so that no act or omission of any insured shall vitiate coverage of the additional insureds.

(e) The policy shall include coverage for (i) foundations, including pilings, but excluding normal settling, shrinkage, or expansion, (ii) physical damage resulting from machinery accidents but excluding normal and natural wear and tear, corrosion, erosion, inherent vice or latent defect in the machinery, (iii) plans, blueprints and specifications, (iv) physical damage resulting from faulty work or faulty materials, but excluding the cost of making good such faulty work or faulty materials, (v) physical damage resulting from design error or omission but excluding the cost of making good such design error or omission, (vi) demolition and debris removal coverage, (vii) the increased replacement cost due to any change in applicable codes or other Laws, (viii) expense to reduce loss, (ix) building ordinance compliance, with the building ordinance exclusion deleted, and (x) "soft cost expense" (including costs of Governmental Approvals, mitigation costs, attorneys' fees, and other fees and costs associated with such damage or loss or replacement thereof).

(f) The policy shall provide a deductible or self-insured retention not exceeding \$1,000,000 per occurrence.

2. Commercial General Liability Insurance

At all times during the performance of the Maintenance Services and during the Maintenance Term, Maintenance Contractor shall procure and keep in force, or cause to be procured and kept in force, commercial general liability insurance as specified below. During any period in which Maintenance Contractor, at its election, maintains in effect builder's third party liability insurance pursuant to Section 3 of this Exhibit 10, the commercial general liability insurance policy need not duplicate the builder's third party liability insurance coverage.

(a) The policy shall be in a form reasonably acceptable to TxDOT, and shall be an occurrence form. The policy shall contain extensions of coverage that are typical for a project of the nature of this Project, and shall contain only those exclusions that are typical for a project of the nature of this Project.

(b) The policy shall insure against the legal liability of the insureds named in Section 2(d), relating to claims by third parties for accidental death, bodily injury or illness, property damage, personal injury and advertising injury, and shall include the following specific coverages:

- (i) Contractual liability;
- (ii) Premises/operations;
- (iii) Independent contractors;
- (iv) Products and completed operations (with acknowledgement that the Project constitutes the premises and not a product);
- (v) Broad form property damage, providing the same coverage as ISO form CG 00 01 10 93 provides;
- (vi) Hazards commonly referred to as "XCU", including explosion, collapse and underground property damage;
- (vii) Fellow employee coverage for supervisory personnel;
- (viii) Incidental medical malpractice;
- (ix) No exclusion for work performed within 50 feet of a railroad;
- (x) Except with regard to indemnifying a professional advisor, consultant, sub-consultant, Supplier or manufacturer engaged by Maintenance Contractor, no application of any limitation or exclusion for bodily injury or property damage arising out of professional services, including engineering, architecture and surveying, in any manner to (A) coverage respecting Maintenance Contractor's supervision, coordination, management, scheduling or other similar services or (B) the products and completed operations coverage;
- (xi) Broad named insured endorsement; and

- (xii) Non-owned automobile liability, unless covered by the automobile liability policy pursuant to Section 4 of this Exhibit 10.

(c) The policy shall have limits of not less than \$5,000,000 per occurrence and in the aggregate per policy period. Such limits may be satisfied by umbrella insurance and shall be shared by all insured and additional insured parties and shall reinstate annually and may be included in an umbrella insurance combined with such other insurance that this schedule stipulates may be similarly added.

(d) TxDOT and the Indemnified Parties shall be named as additional insured's, using ISO form CG 20 10 11/85 or equivalent. The policy shall be written so that no act or omission of a named insured shall vitiate coverage of the additional insureds.

(e) The policy shall provide for a deductible or self-insured retention not exceeding \$50,000 per occurrence.

3. Builder's Third Party Liability Insurance

During any period in which construction work is performed under the Capital Maintenance Agreement, Maintenance Contractor, at its election, may procure and keep in effect builder's third party liability insurance, as specified below, in lieu of commercial general liability insurance coverage for construction activities (but Maintenance Contractor shall maintain commercial general liability insurance coverage for all non-construction-related activities).

(a) The policy shall insure against liability to third parties for accidental death, bodily injury or illness, property damage, personal injury and advertising injury, arising out of the construction work or other work of construction or the improvements under construction. The policy shall contain extensions of coverage that are typical for a project of the nature of the Project, and shall contain only those exclusions that are typical for a project of the nature of the Project.

(b) Maintenance Contractor shall continue the policy in effect for not less than the applicable warranty period under the Capital Maintenance Agreement.

(c) The policy shall otherwise include the same provisions as described for the commercial general liability insurance under Sections 2(b) through (e) of this Exhibit 10.

4. Automobile Liability Insurance

At all times during the performance of the Maintenance Services and during the Maintenance Term, Maintenance Contractor shall procure and keep in force comprehensive, business, or commercial automobile liability insurance as specified below.

(a) Each policy shall cover accidental death, bodily injury and property damage liability arising from the ownership, maintenance or use of all owned, non-owned and hired vehicles connected with performance of the Maintenance Services, including loading and unloading. The policy shall contain extensions of coverage that are typical for a project of the nature of the Project, and shall contain only those exclusions that are typical for a project of the nature of the Project.

(b) Maintenance Contractor shall be the named insured under its automobile liability policy.

(c) Maintenance Contractor's policy shall have a combined single limit per policy period of not less than \$5,000,000 combined single limit and may be included in an umbrella insurance combined with such other insurance that this schedule stipulates may be similarly included.

(d) Each policy shall provide a deductible or self-insured retention not exceeding \$50,000 per occurrence.

5. Pollution Liability Insurance

At all times during the performance of the Maintenance Services and during the Maintenance Term, Maintenance Contractor shall procure and keep in force, or cause to be procured and kept in force, pollution liability insurance as specified below.

(a) The policy shall cover sums that the insured becomes liable to pay to a third party or that are incurred by the order of a regulatory body consequent upon a pollution incident, subject to the policy terms and conditions. Such policy shall cover claims related to pollution conditions to the extent such are caused by, arise out of or are otherwise related to the performance of the Maintenance Services or by other activities that occur on the Project.

(b) Maintenance Contractor and the Indemnified Parties shall be the additional insureds under such policy. The policy shall be written so that no acts or omissions of a named insured shall vitiate coverage of the other insureds. The insured vs. insured exclusion shall be deleted, so that the policy will insure Maintenance Contractor against, and respond to, pollution liability claims and actions of TxDOT against Maintenance Contractor.

(c) The policy shall have a limit of not less than \$10,000,000 per occurrence and in the aggregate per policy period, unless applicable regulatory standards impose more stringent coverage requirements.

(d) The policy shall provide a deductible or self-insured retention not exceeding \$100,000 per occurrence.

6. Professional Liability Insurance

Maintenance Contractor shall procure and keep in force, or cause to be procured and kept in force, professional liability insurance, as specified in subparagraphs (a), (b) and (c) below, at all times during the performance of the Maintenance Services and during the Maintenance Term, that professional services are rendered respecting design and construction until five years after the professional services have concluded for the Project; provided, however, that the total term of such professional liability coverage need not extend beyond ten (10) years. Maintenance Contractor may satisfy such insurance via a project policy covering all the foregoing providers of professional services.

(a) Each policy shall be Project-specific and provide coverage of liability of the party performing the professional services arising out of any negligent act, error or omission in the performance of professional services or activities for the Project, including coverage for bodily injury or property damage.

(b) Each policy shall have a limit of not less than \$10,000,000 per claim and in the aggregate. The aggregate limit need not reinstate annually.

(c) Each policy shall provide a deductible or self-insured retention not exceeding \$1,000,000 per occurrence.

In addition, Maintenance Contractor shall cause each other Subcontractor that provides professional services for the Project to procure and keep in force professional liability insurance, covering its professional services practice, of not less than \$2,000,000 per claim and in the aggregate per annual policy period. Such policy need not be Project-specific or include a tail period for making claims, and shall include a commercially reasonable deductible.

7. Workers' Compensation Insurance

At all times when work is being performed by any employee of Maintenance Contractor under the Capital Maintenance Agreement, Maintenance Contractor shall procure and keep in force, or cause to be procured and kept in force, a policy of workers' compensation insurance for the employee in conformance with applicable Law. Maintenance Contractor shall be the named insured on these policies. Such policy need not be Project-specific. The workers' compensation insurance policy shall contain the following endorsements:

- (a) An endorsement extending the policy to cover the liability of the insureds under the Federal Employer's Liability Act;
- (b) A voluntary compensation endorsement;
- (c) An alternative employer endorsement; and
- (d) An endorsement extending coverage to all states operations on an "if any" basis.

8. Employer's Liability Insurance

At all times during the Maintenance Term, Maintenance Contractor shall procure and keep in force, or cause to be procured and kept in force, employer's liability insurance as specified below.

- (a) The policy shall insure against liability for death, bodily injury, illness or disease for all employees of Maintenance Contractor working on or about any Site or otherwise engaged in the work.
- (b) Maintenance Contractor shall be the named insured.
- (c) The policy shall have a limit of not less than \$5,000,000 per accident and in the aggregate during the period of insurance and may be included in an umbrella insurance combined with such other insurance that this schedule stipulates may be similarly included.
- (d) Such policy need not be Project-specific.

9. Railroad Insurance

Maintenance Contractor shall procure and keep in force, or cause to be procured and kept in force, railroad protective liability insurance, commercial general liability insurance and contractor's protective liability insurance as may be required by any railroad in connection with any work performed under the Capital Maintenance Agreement across, under or adjacent to the railroad's tracks or railroad right-of-way. All insurance policies shall be in a form acceptable to the operating railroad and shall name

TxDOT, TxDOT's Consultants, and railroad as named insureds. . Copies of all insurance policies shall be submitted to TxDOT prior to any entry by Developer upon operating railroad property. In the event any agreement between TxDOT and a railroad includes railroad protective insurance requirements applicable to the work, Maintenance Contractor shall procure and keep in force or cause to be procured and kept in force, insurance meeting such requirements.

10. Subcontractors' Insurance

(a) At all times during the performance of the Maintenance Services and during the Maintenance Term, Maintenance Contractor shall cause each Subcontractor that performs work on the Site to provide commercial general liability insurance that complies with Section 7.4 of the Capital Maintenance Agreement, with commercially reasonable limits and deductibles or self-insured retentions, in circumstances where the Subcontractor is not covered by Maintenance Contractor-provided liability insurance. Maintenance Contractor shall cause each such Subcontractor that provides such insurance to include each of the Indemnified Parties as additional insureds under such Subcontractor's liability insurance policies. Such insurance need not be Project-specific. TxDOT shall have the right to contact the Subcontractors directly in order to verify the above coverage.

(b) At all times during the performance of the Maintenance Services and during the Maintenance Term, Maintenance Contractor shall cause each Subcontractor that has vehicles on the Site or uses vehicles in connection with the work to procure and keep in force, comprehensive, business, or commercial automobile liability insurance meeting the requirements as specified below.

- (i) Each policy shall cover accidental death, bodily injury and property damage liability arising from the ownership, maintenance or use of all owned, non-owned and hired vehicles connected with performance of the work. The policy shall contain extensions of coverage that are typical for a project of the nature of the Project, and shall contain only those exclusions that are typical for a project of the nature of the Project.
- (ii) Each such Subcontractor shall be the named insured under its respective automobile liability policy.
- (iii) Each policy shall include each of the Indemnified Parties as additional insureds.

(c) At all times when Maintenance Services are being performed by any employee of a Subcontractor, Maintenance Contractor shall cause Subcontractor to procure and keep in force, or cause to be procured and kept in force, a policy of workers' compensation insurance for the employee in conformance with applicable Law. Subcontractor shall be the named insured on these policies. The workers' compensation insurance policy shall contain the following endorsements:

- (i) An endorsement extending the policy to cover the liability of the insureds under the Federal Employer's Liability Act;
- (ii) A voluntary compensation endorsement;
- (iii) An alternative employer endorsement; and
- (iv) An endorsement extending coverage to all states operations on an "if any" basis.

(d) At all times during the performance of the Maintenance Services, Maintenance Contractor shall cause each Subcontractor to procure and keep in force employer's liability insurance as specified below.

- (i) The policy shall insure against liability for death, bodily injury, illness or disease for all employees of Subcontractor working on or about any Site or otherwise engaged in the work.
- (ii) Subcontractor shall be the named insured.
- (iii) The policy shall have a limit of not less than \$5,000,000 per accident and in the aggregate during the period of insurance, and may be included in an umbrella insurance combined with such other insurance that this Exhibit 10 stipulates may be similarly included.
