Permit to Construct Access Driveway Facilities on Highway Right of Way

To: W.P. FITTS / S.W.B.T. CO. Hwy. SH288 Permit No. 97-0101
3247 YELLOWSTONE, STE. 100 Control 598 Section 1 & 2
HOUSTON TX 77021-2311

The State Department of Highways and Public Transportation, hereinafter called the State, hereby authorizes SOUTHWESTERN BELL TELEPHONE, hereinafter called the grantee, to (re) construct an access driveway on the highway right of way abutting highway no. SH-288 in S. HARRIS County, located FROM ALMEDA GLENDA RD. TO HUGHES RANCH RD. N. BRAZORIA

Subject to the following:

- The grantee is responsible for all costs associated with the construction of this access driveway.
- Design of facilities shall be as follows and/or as shown on sketch:
See Special Specification
- All construction and materials shall be subject to inspection and approval by the State.
- Maintenance of facilities constructed hereunder shall be the responsibility of the grantee, and the State reserves the right to require any changes, maintenance or repairs as may be necessary to provide protection of life or property on or adjacent to the highway. Changes in design will be made only with approval of the State.
- The Grantee shall hold harmless the State and its duly appointed agents and employees against any action for personal injury or property damage sustained by reason of the exercise of this permit.
- The Grantee shall not erect any sign on or extending over any portion of the highway right of way, and vehicle service fixtures such as service pumps, vender stands, or tanks shall be located at least twelve (12) feet from the right-of-way line to ensure that any vehicle services from these fixtures will be off the highway.
- This permit will become null and void if the above-referenced driveway facilities are not constructed within six (6) months from the issuance date of this permit. Mr. JERRY LOFLAND NORTH BRAZORIA CO.
- The Grantee will contact the State's representative Mr. BILL DOWNS SOUTH HARRIS CO. telephone (281) 331-3522 BRAZ at least twenty-four (24) hours prior to beginning the work authorized by this permit. 281 481-1123 S. HAR.

SPECIAL PROVISIONS FOR PERMIT NO. 97-0101

S. Harris, Provide 6-20' Driveways Pipe Sizes If Required To Be Determined in Field.
N. Braz., Provide 3-20' Driveways Pipe Sizes If Required To Be Determined in Field.

Culvert crossings within the 30-foot clear zone (parallel culverts) shall be required to have minimum 6:1 sloping ends.

Culverts larger than single 30-inch diameter (or larger than multiple 24-inch diameter culverts) shall require safety pipe runners.

Riprap or stabilizing material shall be provided and installed by grantee at time of construction as directed by Area Engineer.

FOR TXDOT MAINTAINED ASPHALT SURFACED PAVEMENT no concrete pavement or curbing shall be allowed within State right of way. (See attached driveway profile.)

FOR TXDOT MAINTAINED CONCRETE SURFACED PAVEMENT no saw cutting of pavement will be permitted in State right of way. (See attached driveway profile.)

Placement or removal of beautification on State right of way shall be under the direction of the Texas Department of Transportation.

The Texas Department of Transportation will assist as follows:

Provide flow line elevation and inspection of construction.

This permit issued subject to a traffic control plan which will be approved by the Area Engineer. No work within State right of way shall begin until this approval has been granted.

It is mutually agreed and understood that the implementation and maintenance of the traffic control plan shall be the responsibility of the grantee and the grantee shall indemnify and save harmless the State from any and all damage or loss that may develop due to this project.
