

NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct a public meeting on August 30, 2012 at 6 p.m. in the Shepherd ISD Administration Boardroom. The purpose of the meeting is to discuss the need for, and suggested alternatives for, the proposed U.S. 59 Frontage Road. The proposed frontage road would be located between the U.S. 59/Union Pacific Railroad (UPRR) Overpass and the proposed U.S. 59/FM 2914 Overpass just south of Shepherd. The proposed action would also involve reconstructing the U.S. 59 mainlanes with concrete pavement within these limits.

All interested citizens are invited to attend this meeting to express their views and to discuss the project with TxDOT representatives. Those interested in attending the meeting who have special communication or accommodation needs are encouraged to contact Kathi White, the district public information officer, at (936) 633-4395 at least two days prior to the meeting. Because the public meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.
