

GRASS SEED SUPPLIERS

ITEM 164 “SEEDING FOR EROSION CONTROL”

Use the following list of suppliers to locate grass seed when fulfilling Item 164 “Seeding for Erosion Control”. Seed varieties per District are defined within Item 164 which can be located in the “2014 Standard Specifications for Construction and Maintenance of Highways, Streets, and Bridges”. The current Grass Seed Suppliers List can be found on TxDOT’s Erosion Control Web Page at: <http://www.txdot.gov/business/resources/erosion-control.html>.

Direct all questions to Travis Jez of the Maintenance Division, MNT Field Support Section, 125 E. 11th Street, Austin, TX 78701-2483, (512) 416-3091 or Travis.Jez@txdot.gov.

- Contact information for the Seed Suppliers can be found on the last page after the plant species list.
- Supplier names are arranged in alphabetical order.

PLANT SPECIES	SEED VARIETY	DEVELOPER	SEED SUPPLIER
