Focused Presentation Blurbs

August 22 – Transportation Alternatives Program Project Categories
Federal Transportation Alternatives (TA) funding rules have changed and TxDOT has added new project categories to the statewide TA Program Call in response. Please attend this session to learn about these new project categories (Large Active Transportation Infrastructure, Active Transportation Network Enhancements, and Active Transportation Non-Infrastructure) as well as changes to the regularly occurring statewide TA Program Call.

August 31 – Project Sponsor and Project Type Eligibility
TxDOT's 2023 TA Program Call features new project categories with expanded eligibility to project sponsors from a variety of population sizes. Please attend this session to learn more about project type eligibility for these new project categories.

September 7 – Grant writing tips/Project selection tips
Whether you have never written a grant application before or are a perennial winner, everyone has room to grow. During this session TxDOT staff will discuss grant writing tips and best practices for applying for TxDOT's 2023 TA Program. Additionally, we will discuss tips for selecting the right project to submit in the next TxDOT Call for Project.
