

Request for Construction Speed Zone

District: _____ County: _____

Highway No.: _____

Direction*: _____

Pre-Construction Posted Speed: _____
Proposed Construction Speed**: _____

Contact Person: _____ Contact Phone Number: _____

- * Show direction as northerly or southerly, etc., from beginning milepoint to end milepoint.
- ** If the work zone speed must be lowered more than 10 mph below the posted speed, attach documentation justifying the speed drop. For more information, see standard sheet for Work Zone Speed Limits. If the work zone speed limit is lowered more than 15 mph below the posted speed, buffer zones will need to be established as well.

Net Length of Each Section Outside of Incorporated Cities:

Section 1: _____ Section 2: _____

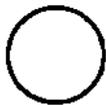

Section 3: _____ Section 4: _____

Control and Section Number at Both Beginning and End of Each Section:

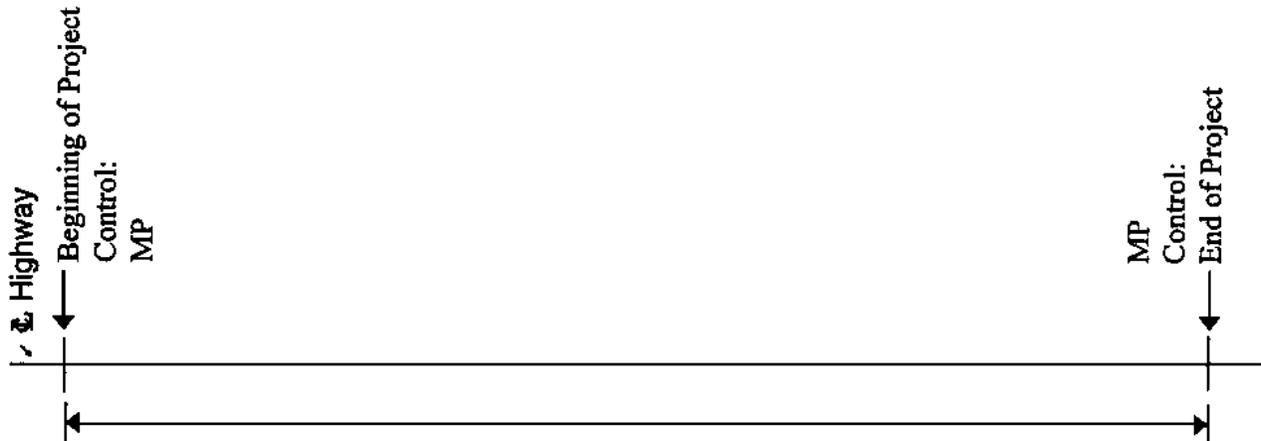

Section	Beginning				End			
	Milepoint	Cont.	Sec.	Job	Milepoint	Cont.	Sec.	Job
1								
2								
3								
4								

Project No.: _____

Draw Sketch Below:

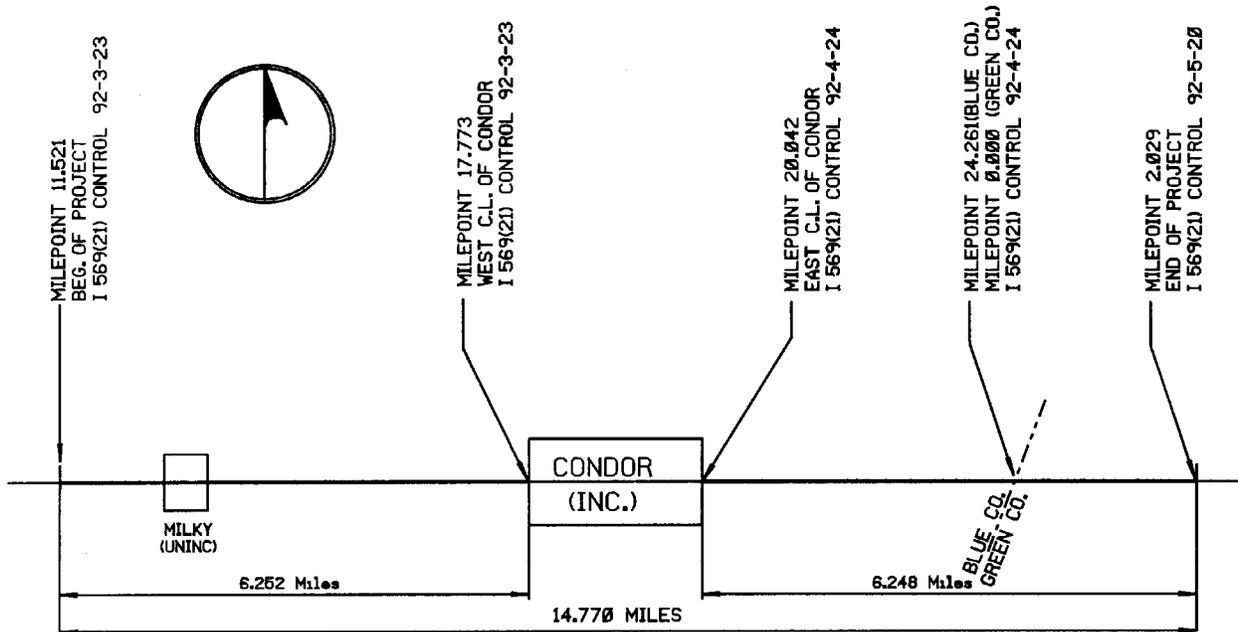

**Indicate
North**

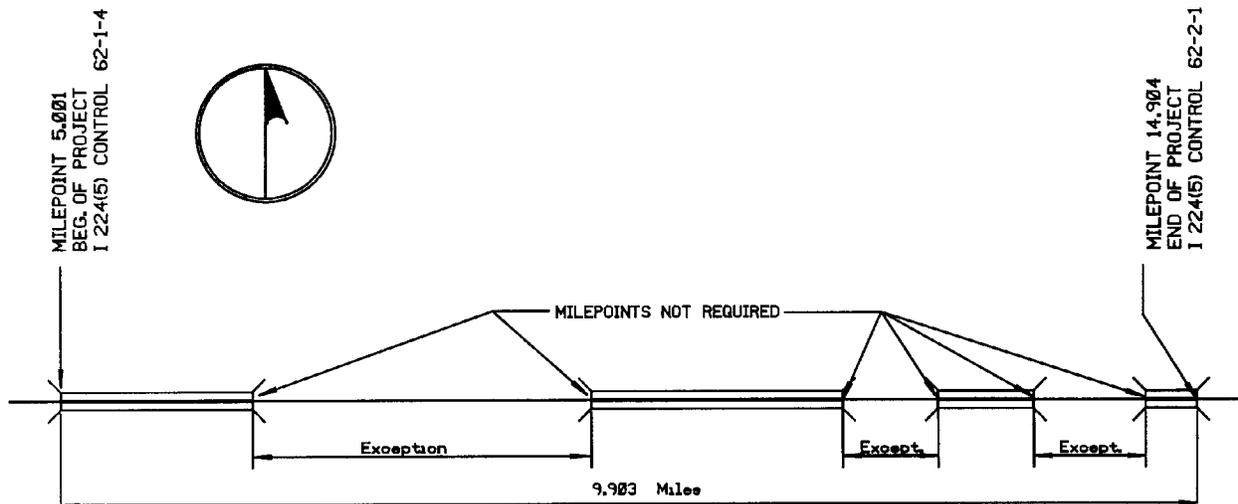

(Instructions on page 2)

Instructions:

- ✓ Sketch each project submitted.
- ✓ Show city limits of all incorporated cities within limits of project, giving milepoints.
- ✓ Show the approximate location and name of any unincorporated areas within limits of zone.
- ✓ Show milepoint, project, and control numbers of any county lines that occur within zone limits.
- ✓ Fill out a separate sheet for each zone requested.
- ✓ Give net length of each section within the zone.

CASE I
 WHERE THERE IS AN INCORPORATED CITY WITHIN THE LIMITS OF THE PROJECT

CASE II
 WHERE THERE ARE EXCEPTIONS WITHIN THE LIMITS OF THE PROJECT
