1	RFQ	Part B, Volume2, Section 2(a), Page 8 Part B, Volume 2, Section 6, Page 15	Volume 2 – Technical Information, Section 2(a) Technical Key Personnel Qualification states: “resumes will be limited to 2 pages per person” suggesting free-form format, and Section 6. Personnel Qualifications (Form G), requires Key Personnel Resume and References be provided on Form G. Please clarify if resumes in both free-form and Form G documents are required, or only Form G.	Resumes for key Personnel will be required to be on Form G. Please see RFQ Addendum 1.
2	RFQ	Part C	Please consider providing all forms in an editable format (MS Word preferred).	Forms will be provided in Addendum #2.
3	RFQ	Part B, Volume 2, Section 2(b), Page 12	Volume 2, – Technical Information, Section 2(b) Express Commitment Regarding Technical Key Personnel. Is an individual letter required for each Key Personnel identified, or can they be combined?	Letters regarding Key Personnel are not required. As set forth in Part B, Volume 2, Section 2(b), the QS must include a statement regarding the Proposer's express commitment for all Key Personnel. This statement is not required in letter format.
4	RFQ	Page C-24	How do we get a copy o the Maps referenced on Page C-24?	The documents referenced are available in the RID. Please use the following link. http://www.txdot.gov/inside-txdot/projects/studies/corpus-christi/harbor-bridge/rid.html
5	RFQ		We would like to request electronic copies of available documents for the US 181 Harbor Bridge Replacement Project as referenced in the RFQ. If we overnight the \$25 check and provide our FedEx account number, is it possible to have the storage device overnighted to us using our account number?	Please send a check and a FedEx return shipping label to Mr. Ernesto De La Garza, P.E., Texas Department of Transportation, 1701 S. Padre Island Drive, Corpus Christi, Texas 78416. The RID documents are also located and downloadable at https://www.txdot.gov/inside-txdot/projects/studies/corpus-christi/harbor-bridge/rid.html for your convenience.

6	RFQ	Paragraph 5.1 Responsiveness, page 15	<p>Paragraph 5.1 Responsiveness, page 15 of part A states that a parent company providing project experience to a subsidiary proposer must provide a guarantee in a form acceptable to TxDOT covering the performance obligations of the Lead Engineering Firm, Lead Contractor or Lead Maintenance Firm.</p> <p>Can TxDOT provide an acceptable language form of such guarantee for proposers to use?</p>	<p>Section 5.1 will be revised to limit the experience of parent companies to parent companies of equity members that will provide parent guarantees of the obligations of the Developer under the Design-Build Agreement and the Maintenance Contractor under the COMA. TxDOT anticipates the form of guarantee will be provided in the Request for Proposals and will be similar to the form of guarantee accepted on other TxDOT projects. Please see revisions to Section 5.1 which will be revised as follows:</p> <p>Project experience provided by a parent or sister company of the Lead Engineering Firm, Lead Contractor, or Lead Maintenance Firm shall not be considered responsive to this RFQ, except that project experience of a parent company of any Lead Engineering Firm, Lead Contractor, or Lead Maintenance Firm that is also an Equity Member shall be considered responsive to this RFQ only if such parent company serves as a Guarantor by providing a guarantee in a form acceptable to TxDOT in its discretion guaranteeing the obligations of the Developer and Maintenance Contractor.</p>
7	RFQ	Volume 3	<p>Volume 3- Financial information</p> <p>In lieu of financial statements, can lead Equity members submit a TxDOT pre-qualification letter stating that proposer has the capacity to construct \$800 Million in work?</p>	<p>No, pre-qualification letters will not be accepted in lieu of financial statements.</p>
