1.8.2. TxDOT has no financial responsibility for any work performed that is outside the scope of this Agreement, even if that work was requested by TxDOT. The vendor shall notify TxDOT within five business days if the vendor believes that TxDOT has requested work that is outside the scope of this Agreement or that cannot be performed at no cost to TxDOT. The parties shall attempt to resolve the matter informally. If the matter cannot be resolved informally, the Vendor shall not perform the work. The Vendor will not participate either directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

2.24.8.3.3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by the Vendor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Vendor of the Vendor’s obligations under this Agreement and the Acts and the Regulations relative to Nondiscrimination on the grounds of race, color, or national origin.

2.24.8.3.4. Information and Reports: The Vendor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by TxDOT or the Federal Highway Administration (FHWA) to be pertinent and to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a Vendor is in the exclusive possession of another who fails or refuses to furnish this information, the Vendor will so certify to TxDOT or the FHWA, as appropriate, and shall set forth what efforts it has made to obtain the information.

2.24.8.3.5. Sanctions for Noncompliance: In the event of a Vendor’s noncompliance with the nondiscrimination provisions of this Agreement, TxDOT will impose such Agreement sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:

2.24.8.3.5.1. withholding payments to the Vendor under the Agreement until the Vendor complies; and/or

2.24.8.3.5.2. cancelling, terminating, or suspending a Agreement, in whole or in part.

2.24.8.3.6. Incorporation of Provisions: The Vendor will include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The Vendor will take action with respect to any subcontract or procurement as TxDOT or the FHWA may direct as a means of enforcing such provisions including sanctions for non-compliance. Provided, that if the Vendor becomes involved in litigation with, or is threatened with litigation by, a subcontractor or supplier because of such direction, the Vendor may request TxDOT to enter into any litigation to protect the interests of TxDOT. In addition, the Vendor may request the United States to enter into the litigation to protect the interests of the United States.

2.24.8.4. The Vendor agrees to comply with the provisions of Appendix A attached hereto, which is incorporated by reference and made a part hereof.

2.24.9. E-VERIFY: Pursuant to Executive Order RP-80, Vendor certifies and ensures that for all contracts for services, Vendor shall, to the extent permitted by law, utilize the United States Department of Homeland Security’s E-Verify system during the term of this Agreement to determine the eligibility of:

2.24.9.1. All persons employed by Vendor during the term of this Agreement to perform duties within the State of Texas; and
2.24.9.2. All persons, including subcontractors, assigned by Vendor to perform work pursuant to this Agreement.

2.24.9.3. Violation of this provision constitutes a material breach of this Agreement.

2.25. DISPUTE RESOLUTION. In accordance with Government Code, Chapter 2260, TxDOT has established a dispute resolution process in 43 Texas Administrative Code §§9.1 and 9.2 to resolve disputes that may arise between TxDOT and the Vendor under the Agreement (referred to herein as the “dispute resolution process”). The dispute resolution process shall be used by TxDOT and the Vendor to resolve disputes arising under the Agreement, including without limitation any claim for breach of contract. The contested case process provided in Chapter 2260 is the Vendor’s sole and exclusive process for seeking a remedy for an alleged breach of contract by TxDOT if the parties are unable to resolve their disputes as described above. Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. Neither the execution of the Agreement by TxDOT nor any other conduct of any representative of TxDOT relating to the Agreement shall be considered a waiver of sovereign immunity to suit. Notwithstanding any provision of the Agreement to the contrary, unless otherwise agreed in writing by TxDOT, the Vendor shall continue performance and shall not be excused from performance during the period of Agreement claim or dispute is pending; however, the Vendor may suspend performance during the pendency of such claim or dispute if the Vendor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

2.26. TERM OF AGREEMENT: The term of the Agreement shall be as stated on the Purchase Order.

2.27. ORDER OF PRECEDENCE: In the event of conflicts or inconsistencies between this Agreement and its attachments and other solicitation documents, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order: (1) Amendments to the Agreement, (2) the Agreement and its Attachments, (3) the Purchase Order and (4) the Vendor’s Application.

2.28. TERMINATION OF THE AGREEMENT:

2.28.1. FOR CAUSE: If Vendor fails to provide a good or service according to the provisions of the Agreement or fails to comply with any term or condition of the Agreement, or if any representation or certification made in the Agreement or any related document is false, incomplete or inaccurate, TxDOT may immediately terminate the Agreement upon written notice to the Vendor. The defaulting Vendor will not be considered in future solicitations for the same type of work unless the specification or scope of work is significantly changed. TxDOT may impose sanctions, debar or suspend the Vendor for abandonment or default(s) on the Agreement. Termination is not an exclusive remedy, but will be in addition to any other remedies TxDOT may have by law, in equity, or under the Agreement. TxDOT may exercise any other right, remedy or privilege which may be available to it under applicable law or may proceed by appropriate court action to enforce the provisions of the Agreement. The exercise of any of the foregoing remedies will not constitute a termination of the Agreement unless TxDOT notifies the Vendor in writing prior to the exercise of such remedy. The Vendor shall be responsible for all costs and expenses, including court costs, incurred by TxDOT with respect to the enforcement of any of the remedies listed herein.

2.28.2. FOR CONVENIENCE: The Agreement may be terminated in whole or in part, without penalty, by either party by providing thirty (30) days written notice to the other party. In the event of such termination, the Vendor shall, unless otherwise agreed in writing, cease all work immediately upon the effective date of termination. Termination under this paragraph shall not relieve the Vendor of any obligation or liability that has occurred prior to termination.

2.28.3. In the event of termination, the Account will be closed and any remaining Account funds (after all applicable fees and charges have been applied) will be refunded to Vendor.
2.29. **SALE OR ASSIGNMENT**: The Agreement is void if sold or assigned to another company without written approval from TxDOT. Written notification of changes to company name, address, telephone number, etc. shall be provided to TxDOT as soon as possible but not later than thirty (30) days from the date of change.

2.30. **RENEWAL OF AGREEMENT FOR SERVICES**: The Agreement may be renewed for up to three additional like periods of time at the same terms and conditions, or as otherwise stated in the solicitation, provided both parties agree in writing to do so prior to the expiration of the Agreement.

2.31. **EXTENSION OF AGREEMENT**:

   2.31.1. TxDOT reserves the right to extend the Agreement for time only past the stated term to allow the Vendor to complete the requirements or to accommodate unanticipated events or requirements prior to the expiration of the Agreement.

   2.31.2. An Agreement in its final renewal period may be further extended for a period up to ninety (90) days at the option of TxDOT.

   2.31.3. The Vendor may request a time only extension of an Agreement by submitting written justification to TxDOT. TxDOT will approve or decline the request for extension in writing. An extension will only be effective if it is issued by the TxDOT purchasing department in the form of a purchase order change notice.

2.32. **SEVERABILITY CLAUSE**: In the event that any provision(s) of this Agreement may later be determined to be invalid, void, or unenforceable, then the remaining provisions of this Agreement shall remain in full force and effect.

2.33. **BINDING EFFECT AND SURVIVAL OF OBLIGATIONS**

   2.33.1. By executing this Agreement, the Vendor binds itself, its respective successors and assignees, to the faithful performance of the terms and conditions and provisions of the Agreement.

   2.33.2. Expiration or termination of the Agreement for any reason shall not release Vendor from any liabilities or obligations set forth in the terms and conditions and Agreement or any work order that are expressly stated to survive any such expiration or termination or which by their nature are intended to be applicable following such expiration or termination, including any and all provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, statement and fees verification. Upon expiration or termination of the Agreement for any reason, TxDOT shall retain ownership of all associated work products and documentation obtained from or created by the Vendor under the Agreement. Vendor shall deliver all documents or other work product to TxDOT upon request, including original versions if so specified in the request.

   2.33.3. The term of service stated on the Purchase Order is binding on the Vendor regardless of the term on the originating agency contract or its Agreement.

2.34. **AMENDMENTS TO THE AGREEMENT**. TxDOT may revise the terms of this Agreement at any time with prior written notice to the Vendor. Notice will be deemed received ten (10) days after being mailed to the Vendor at the address on file. If the Vendor does not accept the revised terms, the Vendor must immediately notify the appointed TxDOT representative. Following notification, the Agreement will be terminated and the Account will be closed as described above. Continued use of the Account will constitute acceptance of the revised terms.

2.35. **NO EXCLUSIVITY**. TxDOT reserves the right to enter into similar agreements with multiple vendors.
