NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct a Public Meeting on March 25, 2014, to present proposed roadway improvements for the widening of Spur 248 from Old Omen Road to SH 64 in Southeast Tyler, Texas. The meeting will be held from 5:00 to 7:00 p.m. at the University Church of Christ, 11114 Spur 248, Tyler, Texas 75707, in an open-house format with no formal presentation.

The purpose of the meeting is to gather public input on the proposed roadway improvement project. The proposed project would widen the existing roadway from two lanes to four lanes plus a continuous left turn lane. Additional right-of-way would be needed for the proposed improvements. The project is approximately 2 miles long.

Exhibits showing aerial photography and schematic plans of the recommended alternative will be presented at the meeting. Representatives from TxDOT and their study team will be available to answer individual questions. Public comments are encouraged. The alternatives are available for review by contacting Eric Fisher (903) 510-9175 at the TxDOT Tyler District Office, 2709 W. Front St., Tyler, Texas, 75702, and on the web at www.txdot.gov under the Business link. TxDOT offices are open Monday through Friday, from 8:00 a.m. to 5:00 p.m.

All interested persons are invited to attend this meeting. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact Jay Tullos at (903) 510-9153 at least two working days prior to the meeting. Since the meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two working days prior to the meeting. TxDOT will make every reasonable effort to accommodate those needs.

Written comments related to the proposed project may be submitted at the meeting or mailed to Vernon Webb, Director of Transportation Planning and Development, Texas Department of Transportation, 2709 W. Front Street, Tyler, Texas, 75702, on or before April 3, 2014. Comments may also be emailed on or before April 3, 2014, to vernon.webb@txdot.gov.
