Transportation Code, §21.003, requires the Texas Transportation Commission (commission) to appoint a six-member Aviation Advisory Committee (committee) to advise the commission and the Texas Department of Transportation (department) on aviation matters.

Transportation Code, §21.003, further provides that each member of the committee must have five years of successful experience as an aircraft pilot, an aircraft facilities manager or a fixed-base operator.

The department's administrative rules governing statutory advisory committees (Title 43, Texas Administrative Code, §1.84) provide that committee members serve staggered three-year terms.

Mr. John White, whose term expires on August 31, 2018, has resigned from the committee; therefore, it is necessary for the commission to appoint a new member to fill this vacancy.

The commission has determined that the individual listed below fulfills the statutory requirements to serve as a member of the committee:

Fred Underwood
Lubbock, Texas

IT IS THEREFORE ORDERED by the commission that the individual identified above is hereby appointed to serve as a member of the Aviation Advisory Committee with a term effective February 23, 2017, and expiring on August 31, 2018.
