The proposed amendments extend the sunset dates for statutory and department advisory committees, add provisions relating to the I-27 Advisory Committee, which was established by S.B. 1474, 87th Legislature, and an urban air mobility advisory committee, as required by S.B. 763, 87th Legislature, and repeal, as executed, a rule relating to advisory committees that assisted the department in conducting a comprehensive study on the Ports-to-Plains Corridor.*
- 116153 b. **Chapter 15 - Financing and Construction of Transportation Projects**
*New §§15.140-15.147, State Scenic Byways Program ([MO](#))
Senate Bill 941, 87th Legislature, requires the department to establish a State Scenic Byways Program to allow the state and local communities to participate in the National Scenic Byway Program, which is designed to recognize, preserve, and enhance roads possessing certain intrinsic qualities. The department is required to establish processes to designate State Scenic Byways and receive and submit applications for federal designation and grant funding.*
- 116154 6. **Urban Air Mobility Advisory Committee**
*Consider the appointment of members to the Urban Air Mobility Advisory Committee ([MO](#))
As required by SB 763 of the 87th Texas Legislature, "the commission shall appoint an advisory committee to assess current state law and any potential changes to state law that are needed to facilitate the development of urban air mobility operations and infrastructure in this state." This minute order approves the appointment of all members of the advisory committee, which will be abolished no later than January 1, 2023, as required by statute.*
- 116155 7. **State Infrastructure Bank ([Presentation](#))**
a. **Gregg County - City of White Oak** - Consider final approval of a request from the City of White Oak for a State Infrastructure Bank loan in the amount of up to \$2,950,000 to pay for the costs of utility relocation and for a contribution to the department to pay for the costs of right-of-way acquisition necessary for a non-tolled state highway improvement project to widen SH 42 in Gregg County, Texas ([MO](#)) ([Map](#))
City of White Oak (City) will secure the loan with a pledge of utility revenues. **ACCESS PRESENTATIONS AND APPROVED
MINUTE ORDERS BY SELECTING THE
BLUE LINK AT THE DESIRED AGENDA ITEM.**

- 116156 7. **State Infrastructure Bank** (Presentation) (continued)
b. **Ellis County** - Rockett Special Utility District - Consider final approval of a request from the Rockett Special Utility District for a State Infrastructure Bank loan in the amount of up to \$9,050,000 to pay for the costs of utility relocation necessary for a non-tolled state highway improvement project to widen FM 664 from I-35E to I-45 in Ellis County, Texas ([MO](#)) ([Map](#))

The loan will be used to pay the SUD's costs associated with utility relocation necessary for a non-tolled state highway improvement project to widen FM 664 from I-35E to I-45 in Ellis County, Texas.
- 116157 8. **Design-Build Contract**
Tarrant County - Consider approving the selection of the proposer who submitted the best value, best and final offer proposal and the conditional award of a design-build contract and a corresponding capital maintenance contract to the selected proposer, for the design, construction, and maintenance of the Southeast Connector Project, consisting of non-tolled improvements along I-20 from Forest Hill Drive to Park Springs Boulevard, I-820 from I-20 to Brentwood Stair Road, and US 287 from Bishop Street to Sublett Road, in Tarrant County ([MO](#)) ([Presentation](#))
On May 28, 2020, in Minute Order 115748, the commission authorized the department to issue a request for proposals to design, construct, and maintain the Southeast Connector Project. The department received three proposals on May 6, 2021, but determined that the price submitted by each proposer was too high. Texas Administrative Code, Chapter 21, Subchapter B, Rule 21.25 sets forth the requirements for a utility to qualify for reimbursement under this program. Payment for this relocation will not cause the department to exceed \$10 million in any fiscal year. The utility is a political subdivision with a financial condition that prevents the utility from being able to pay the cost in full or part or, if paid at that time, the payment would adversely affect the utility's ability to operate or provide essential services to its customers. The utility is unable to receive a state infrastructure bank loan to finance the cost of the relocation and is otherwise unable to finance that cost.
